Wednesday, August 28, 1974. 15¢

Dick Plain will run for Mayor

DICK PLAIN

Richard Plain announced Tuesday that he will seek election as Mayor of St. Albert in the October election.

In an interview yesterday Mr. Plain said that he feels St. Albert is presently at a crossroad where a choice should be made between St. Albert as a city of 75 - 100,000 people, or as a town with its own identity and community spirit. The choice of direction should be made by the majority of the present population, he said, not just the council.

Asked if the rate of development could in fact be limited, Dick said this could be accomplished by (1) The institution of a General Plan, and (2) the correct application of the procedures as delineated under existing planning legislation.

Another major objective of Mr. Plain in seeking office is his belief that "developers must be accountable

Watch for Fascinating world

During the week of Sept. 2 a bright coloured folder will be left in your mail box. "It's a Fascinating World" is the title of the second tabloid put out by the St. Albert and Area Further Education Council. The tabloid includes information on programs for fall offered by the following organizations in the St. Albert area; St. Albert Protestant Separate School Board, St. Albert Cultural Co-ordinating Committee, St. Albert Arts and Crafts Guild, and Alberta Agriculture. Registration deadlines are included in the tabloid and all registration forms must be received by the deadline set by the sponsoring organization.

Extra copies may be obtained from the St. Albert Library, Paul Kane High School, or the Town Hall.

Fourteen year old Dale Schafer of Calahoo standing behind some of his horseshoe pitching trophies he has won in the past couple of years. His latest addition is the Canadian Junior Championship which he won last weekend in Toronto. Dale went through the eight-player tournament undefeated. The tall trophy to his left is a third place finish in the World's Championship held in Eureka, California last summer.

Shafers captures Canadian title in horseshoe final

Many long hours of practice "out behind the barn" paid off for 14 year old Dale Schafer recently when he won the Canadian Junior Horseshoe Throwing Championship. The tournament, held in Toronto August 17 featured eight of the top players in Canada in a round-robin playoff. Schafer went through the entire seven games undefeated including the final when he upset previously unbeaten 11 year old Steve Hohl 27-22 in a 30 shoe match.

Hohl, son of three time world champion Elmer Hohl of Wellesley, Ontario was throwing from 30 feet whereas Dale was pitching from the senior distance of 40 feet. Both boys were understandably nervous and tense in the final and neither played up to previous performances. Dale had only 16 ringers in the game, although his average is around 23 or so.

The trophy case at the Schafer farm two miles north of Calahoo is filled with some 20 or more trophies

These two young swimmers had quite a medal collection in the combined Provincial swim meet finals at the Alberta Summer Games in Calgary last weekend. Tommy Munro (left) won six gold medals in the Provincials while Dale Cameron had three gold and a bronze in the Alberta Summer Games.

Town will stop land acquisition downtown

Four points regarding the downtown policy were brought forward by Coun. Bakker at the council meeting on Monday, August 26, and they were added to the agenda as business arising from the minutes.

The question raised by Mr. Dick Plain, president of the St. Albert Community Planning Committee, at the last committee of the whole meeting, as to the money paid in total and per lot for property in the downtown area prompted Coun. Bakker to bring the four points forward. (The question has not been answered pending legal advice as to whether council can withhold the information).

"I think we should ask about the prices and so forth," said Coun. Bakker, "but I also think that we ought to take a number of other steps. I think that at this point that we should have four policy resolutions regarding the downtown area."

The points made by Coun. Oakker were first, "we should stop buying in the downtown area anywhere." The second one is that we instruct staff to prepare a replot resolution for the area

Seeks re-election

Councillor Lukay informed the Gazette this week that he will be seeking re-election to council this fall. Mr. Lukay has been a councillor in St. Albert for the past six years. Coun. Lukay stated that he would be putting forth his views on many of the concerns he feels the people of St. Albert have in the Gazette. In checking over the 1971 files of the Gazette, Mr. Lukay said he would stand on his record of opposing growth for growths sake. Annexation should not impose undue financial and social burdens on the people of St. Albert. Frank is the first of the present council to announce his intention to seek another three years term on council.

FRANK LUKAY

Dick Plain

Continued From Page 1

to residents for setting out benefits and costs of their proposals before council gives them consideration as to zoning, annexation, etcetera. Developers, he stated, must themselves appear at public meetings to describe the costs and benefits, before first reading of any zoning bylaw. This would be a welcome reversal of present procedures, he added.

Council accountability begins upon election, said Mr. Plain, and not simply in the weeks before election time.

"If I am elected as mayor there will be a budget speech every year when the budget is struck, setting out estimates of expenditures and revenues for the town. The purpose will be to clearly spell out the priorities on various programs determined by council," said Mr. Plain. The budget procedures followed by the senior levels of government can be adopted by St. Albert's municipal government, and the net result will provide taxpayers with a clear understanding of the manner and way that council proposes to spend their money in the forthcoming year."

A third factor which Mr. Plain stated was a prime reason for making the decision to run for mayor, is his belief that it is extremely important to re-establish co-operation between town council, surrounding municipal councils and the provincial government, "I believe matters are now at a critical stage in this regard," he concluded.

Dick Plain grew up on a farm in the Westlock area and some members of his family were very early pioneers in the St. Albert settlement. His grandmother took refuge in the St. Albert Mission during the Riel Rebellion, and his mother's family have lived for many years in the Namao district.

After obtaining a Bachelor degree in mathematics and economics at the University of Alberta, he worked as a foreman and department head with Swift Canadian Ltd. for three years. He returned to university and completed a Masters and Doctoral degree in the fields of public finance and regional economics, and was then employed as a professor in the Departments of Economics and Community Medicine (Division of Health Services Administration).

Mr. Plain has served as an economic consultant to private industry and to the Provincial Government, as well as carrying out numerous research projects in the areas of public and regional economics. He is also a director of the Alberta branch of the Canadian Association of Consumers, a member of the Canadian Institute of Public Administration, and numerous economic associations. Prior to his decision to run for the office of mayor, he was president of the St. Albert Planning Committee, a branch of the Canadian Association of Community Planning Associations.

Mr. Plain is married and he and his wife Margaret and their three sons live on Bellevue Crescent. Anyone interested in assisting with Mr. Plain's campaign may telephone him at 459-8062.

Schafers

Continued From Page 1

and cups including two that Dale is especially proud of. This year during Klondike Days he, along with 36 of the best horseshoe pitchers ever to play on Alberta soil, played for the Klondyke cup. This was an open tournament and Dale topped two year Alberta champ Ken Herrick and the class B World's champ Ross Stevenson on his way to winning the tournament. His other favorite trophy and the largest in the case is the one he received for placing third in the Junior Worlds Championship held in Eureka, California last year. He started out in a field of 20 of the best players in North America with only the top eight qualifying for the title. Dale finished in eighth spot to capture the last playoff position but then came on strong in the finals to finish tied for second place. Unfortunately his ringer percentage was a shade lower and he was dropped to third but nevertheless was very happy.

Dale's next tournament will be this weekend when he Avenue and 109 Street. Dale is a member of that organization as well as the Riviere Qui Barre Club.

Dale's career has been followed closely by his father Joe, who attends all of his matches and is a pretty fair player himself. They have two excellent pitches behind the house and Dale is constantly on them. After watching a few practice rounds one has little doubt that this young man will one day be adding the World's Championship to his trophy case, will compete in the Alberta Closed Championship in both the singles and doubles events. The games will be played at the Edmonton Horseshoe Pitches on 127

PUBLIC NOTICE
ST. ALBERT TRANSIT

Effective September 3, 1974 a revised bus schedule takes effect. The changes are to increase the existing service and to make route adjustments which will benefit newer areas.

The extended service is made possible through grant assistance from the Province of Alberta.

Copies of the new schedule will be distributed to residences within St. Albert on August 31 and September 1.

A system of passes will also come into effect on September 3, 1974.

SENIOR CITIZENS PASSES. Senior citizens will be permitted to ride free on a St. Albert bus between hours of 9 a.m. to 3:30 p.m. and after 6:30 p.m. Monday through Saturdays and at all hours Sundays and Holidays. There will be a one-time only charge of $2.00 at the time of application for a pass.

ADULT MONTHLY PASSES. A monthly pass covering transportation between St. Albert and Edmonton will be available at a charge of $15.00 per month.

STUDENT TRIMESTER PASSES. Student passes good for four months for persons attending a post-secondary educational institution or adult vocational training institution can be purchased for $40.00 per term. The terms are September 1 to December 31, January 1 to April 30, and May 1 to August 31 in each year.

ALL PASSES ARE NON-TRANSFERABLE. Passes can be obtained at the St. Albert Public Library during normal library hours.

Transfer privileges have been agreed to by the Councils of the City of Edmonton and the Town of St. Albert. St. Albert passengers will be able to obtain at recognized transfer points, a transfer into the E.T.S. system. St. Albert pass holders are not eligible to receive a transfer and must purchase a fare to ride on the E.T.S. or obtain an E.T.S. pass.

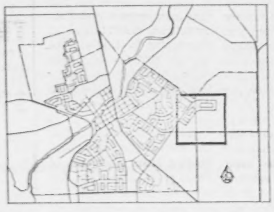
ADMINISTRATOR,
TOWN OF ST. ALBERT.

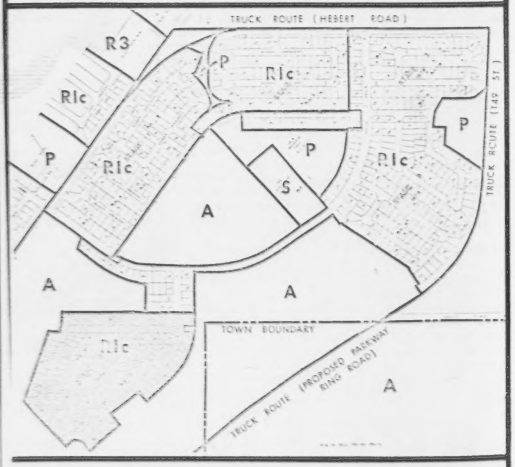
Town of St. Albert

NOTICE OF PUBLIC HEARING

The Council of the Town of St. Albert, having been given authority under Section 119 of the Planning Act 1970 R.S.A. as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone that portion of the NE 34-53-W4th as shown on the map below from Agricultural (A) to Residential Single Family (R1C).





The proposed Bylaw No. 26/74 may be examined between the hours of 9:00 a.m. to 4:30 p.m. at the office of the Town Clerk, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 9th day of September, at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Town Clerk at his office until 4:30 p.m. on the 4th day of September. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

TOWN CLERK

Council

bounded by Grandin Road, Sir Winston Churchill and Perron Street except north of St. Michael Street. That would be west of the lane. The third point is that we instruct staff to prepare replot alternatives, grouping the privately held land into commercial areas so that we would generate in the process, the publicly-held lands into viable plots for re-development. Fourthly, we will only entertain offers of land if they are at the present average price that we have paid in the area. That price is, according to the latest calculation, $2.97 per square foot."

In answer to a question by Coun. Lukay as to the necessity of including the first motion in the light of the other three, Coun. Bakker answered, "I do think at the present time that there is a seeking out of a willingness to them (owners of the rest of the land). I think that there is a difference in that approach as to publicly make it known that we will entertain offers at a certain price but we will not entertain them at any other price, because we are now going into a replot procedure, which is a different procedure than what we were doing initially - which was in fact, to buy all the land in the area. I think we have now got more than two-thirds of that land. Therefore, we can, on an assessed value basis, proceed with the replot in a quite comfortable way, group the privately owned lands so that they must get back to equal value. I would presume since it is a commercially zoned area, this should be an area suitable for commercial development. We can the proceed in the remaining area to plan such facilities that the town wants to set for commercial or whatever they want to do."

Mr. Byron noted that the price of land in the downtown area had risen substantially since the purchase of land had been carried on in the area and the price had risen significantly even in the last few weeks to a point where the cost was much higher than the town had paid previously.

The resolution regarding a stoppage of land acquisition in the downtown area was passed with a vote of 7 to 0.

The second resolution, dealing with the replot scheme, would include all the land in the area bounded by the river, Grandin Road, Sir Winston Churchill, Perron Street (excluding the area between Perron Street and the main just west of Perron treet), and excluding the Bruin Inn property. Coun. Bakker indicated that at this point the Imperial Lumber facility would be included.

This motion was carried with a vote of 6 to 1, Coun. Fyfe was opposed.

The third resolution was that staff prepare replot alternatives, possible ways of regrouping the land with the proviso that the properties do not lose value of land so that they get equivalent value back. This resolution passed with a vote of 7 to 0.

The fourth motion was that the town only consider purchasing lands which were of the average price that has been paid so far, Coun. Bakker added that he would be willing to pay up to $3 per square foot as the average price. There was no discussion on this motion other than Coun. Bakker restating that the town staff would only consider the offers of land and the motion was carried with a vote of 7 to 0.

The nature of these motions would seem to indicate that the town is preparing to consolidate the downtown properties in readiness to prepare for the downtown re-development though it was not indicated how long the replot procedure would take or how long the alternatives would require in preparation. It is not unlikely that the scheme for replotting of the area will be forthcoming in the next 12 months while re-development may be five years off.

Council questioned on sewer cost increases

Dr. Richard Plain of the St. Albert Planning Committee, a Professor of Economics at the U of A raised his concern with the capital financing arrangements for the new sewer line at a recent pre-question period preceding Town Council meeting.

Costs were originally estimated at 3.75 million and as Mr. Plain pointed out the present estimate is 4.9 million. Given this large increase, Mr. Plain wanted to know if the $300 portion of offsite charges to the developers was now sufficient to amortize the debt.

Councillors Bakker and de Bruijn told Mr. Plain that the offsite charges were never intended to amortize all of the debt, which would also be supported by increased revenues from monthly sewer charges to householders. (Which is interesting in the light of the recent statement attributed to the Mayor in the Edmonton Journal that the sewer line was being entirely paid by offsite charges.)

Mr. Plain expressed surprise that no consideration was being given to increasing the developer's offsite charges, to meet the increased cost of the sewer line. He further pointed out that the City of Edmonton would have required a developer such as BACM, with the extent of the firm's involvement in St. Albert, to build the sewer line. After the line is built and development reaches a certain level, the City takes it over. This was done under the development agreement with BACM in Castle Down, for example, he stated.

Robert Sonntag dies at 12 years

Master Robert Walter Sonntag of Winfield, B.C., passed away on August 19, 1974, at the age of 12 years.

He is survived by his loving parents Mr. and Mrs. J. A. Sonntag of Winfield, formerly of St. Albert, also one brother Christopher and one sister Gillian both at home. He is also survived by his grandparents Mr. and Mrs. R. L. Wormell in England, and Mrs. Edith Sonntag in Germany.

Funeral services were held on Thursday, August 22 at 2 p.m. from St. Margaret's Anglican Church, Winfield, with The Rev. R.C. Bastedo officiating. Cremation followed.

The Mayor Replies

The Editor:

The article by the MLA in the St. Albert Gazette of August 21, 1974, is erroneous on several counts; and I would like to correct some of them. Last year the St. Albert Town Council set a municipal mill rate of 37.538 mills. Section 93 subsection 8 of The Municipal Taxation Act allowed council to levy a 10 per cent service charge on education. It had to be levied on both the Provincial Foundation Program and the local school boards supplementary requisition. This generated $143,000 of additional income - not $80,000. Council promptly dropped the municipal mill rate to 33.242 mills to reflect this additional income (4.296 decrease for municipal purposes). Each mill in 1973 was worth approximately $33,280. This 10 per cent levy on education increased the Foundation fund assessment from 23.156 to 25.472 mills; the local boards from 19.806 to 21.870. There was absolutely no gain to the Town or any cost to the school boards. There was very definitely a gain to the majority of citizens of St. Albert who had an assessment below the maximum for the $216 Homeowners rebate as the increase in the Provincial Education Foundation Program of 2.316 mills increased the amount of Homeowners tax discount by an average $17.

The action Town Council took benefited the majority of the residents of the Town without costing them a penny. This action became famous throughout the Province and was called the St. Albert loophole and was laughingly referred to by the Honourable Dave Russell, Minister of Municipal Affairs, at the Alberta Urban Municipalities Association convention in September 1973 when he announced the loophole would be plugged at the fall session of the legislature later in the year. I might add, the only municipality to use the loophole to increase Homeowner discounts was St. Albert.

The Town Council did have to increase the mill rate by 5.958 mills but this increase actually reflects an increase of 1.662 mills over the total mill revenue generated in 1973. The supplementary requisition for school boards in fact increased from 19.806 mills to 23.9 public and 22.2 separate.

Of the actual 1.662 mill increase, there were unusual increases in (1) The Sturgeon General Hospital - 0.8 mill for ground improvements, (2) Home for the Aged in Legal - 0.1 mill deficit, and (3) Provincial Planning Fund - 0.1 mill plus other incidental costs levied but not controlled by the Town. The amount of less than 0.662 of a mill was requisitioned by the town for actual municipal purposes for an increase of approximately 1.76 per cent. In view of the cost of living increase well in excess of 10 per cent, I believe this shows excellent control of finances.

I am aware of discussions with the MLA explaining the purpose behind the 10 per cent levy last year and would also refer him to articles on taxation in the July 4 and July 11, 1973 editions of The Gazette inserted in one case by the Editor.

It has always been my understanding a newspaper should communicate to its public in an objective and impartial way items of interest to that public.

The transit agreement with the City of Edmonton effective April 1, 1974 has brought an excellent service to the town and is reflected in the increased usage of public transit. This service will be expanded, but I would like to remind the residents it is also very costly and not self-supporting. This fact is also recognized in the 1974 budget increase for municipal purposes of a maximum of 0.662 of a mill.

R. M. Gibbon, Mayor,
Town of St. Albert.

Dismayed with activists

The Editor:

I am sure the community of St. Albert is most fortunate in having amonst our midst a man with the community spirit, wisdom, foresight and fluency of Dr. Richard Plain.

The very name under which he and his group function, the "St. Albert Planning Committee," rings of efficiency and public commitment.

But I for one have grown dismayed with and wary of this group of non-elected activists who have settled upon our community and wrought decisions which are in no way sanctioned by the majority of residents through public vote.

There is something positive to be said for those who have the fortitude to speak their views in an effective manner. This is what makes democracy. But there is also something to be said for those of us who expressed our views silently at election time: when we endowed upon our council the privilege and responsibility of running our community to the best of their ability.

That, too, is part of democracy.

When the process is impeded by a minority group of vocalists with a variance of interests in mind, I feel there exists an abdication of responsibility by those to whom we have entrusted our voice.

P. Robertson,
Broadview Cres.

Council to Forward Resolutions to AUMA

Councillor Bakker re-introduced the motion he put forward last year for a resolution to be brought before the Alberta Urban Municipalities Association regarding the option allowing municipal councils to elect a mayor from the elected councillors rather than have an individual specifically elected to the position.

Coun. Bakker stated that he would like to see this motion brought back to the AUMA. The motion would be worded as it was last year to the effect that the mayor would be selected by the councillors rather than by the population at large. In response to a question from Coun. Lukay as to the amount of support received by the motion on the floor of the AUMA meeting, Coun. Bakker stated that it received a bit of support but was defeated. He mentioned that most notibly the support came from the delegation from Calgary.

Coun. Hudson reported that he recalled this particular resolution receiving a vote of 382 to 7 when it was defeated by the AUMA last year and that there was an outstanding lack of recounts of the votes.

Council voted 5 to 2 in favour of re-introducing the resolution before the AUMA Mayor Gibbon and Coun. Hudson voted against.

In addition to this resolution, two other resolutions prepared by Coun. Bakker will be going before the AUMA from the Council of St. Albert. The first of these is designed to seek permission for municipalities to issue tax notices in installments. The second is a resolution to curtail the profits being accumulated by land speculators.

The first of these resolutions received a vote of 6 to 0.

Coun. Bakker stated that there should be some form of regulation on the amount of profits coming from the sale of land especially in the case of a short term owners.

Coun. de Bruijn stated that he agreed with the principle behind the proposed resolution. "Whether it is the vehicle that will provide the inhibiting factor, I do not know. I certainly think that it is worth a try," he stated. "I feel that we should concentrate our efforts and come up with alternatives, that we can offer to the provincial wizards so that we can give them several efforts that they can find one that is palatable and do something about it."

Mayor Gibbon remarked that there already exists one other alternative to the speculating land sales which is being followed by the Ontario government. He stated that this could be looked at by the provincial government here. "The Ontario legislation is very definite in the fact that there is a 50 per cent tax on profits from speculating land sales. When I say speculative land sales, if the person buys the land and develops as housing or what have you and sells it, there is no tax on that particular item. If he purchases the land and two days later sells it for twice the amount there would be a 50 per cent automatic provincial tax which is going to the municipalities involved. That 50 per cent is not, from what I understand, allowed as a deduction on the income tax, federal income tax, so you are getting to a pretty high level of taxation. I think that this is one of the possible alternatives we can give to the government in the form of this particular resolution."

Coun. Hudson stated that he wondered about this resolution. "Are we calling the person who buys up land and sits on it for 10 years and then when the municipality has grown to that boundary, annexes it, subsequently develops it. Are we calling him a speculator?" Coun. Bakker answered no, due to the fact of the cost of development entering into the rate of return. "I am not talking about the guy who is improving the land because there are costs associated with this the same way as the public utilities have costs and are allowed these costs in the calculation of rate of return. We are dealing purely with the man who is holding onto land, there has been no rezoning, there has been nothing done to the land, and sells it again. He has contributed absolutely nothing to society other than he has contributed to a great extent to inflation."

Coun. Hudson stated that he asked the questions due to the many complexities in the matter and Coun. Bakker stated that the paths must be shown to the provincial government so that protection can be given to the younger generation who will be in the market for such a commodity in the future.

Mayor Gibbon reported his concern that the resolution was not flexible enough and that he suspected that it would be lost on the floor of the convention unless some addition was made to the effect that the provincial government could do whatever was necessary in this regard. Coun. Bakker agreed to this addition.

This motion was passed by the Council with a vote of 7 to 0.

MLA Jamison reports on Council-Ministers meeting

At a meeting held July 20, 1974 with three Cabinet Ministers, the mayor and five councillors, (Coun. Throndson was absent) which I attended at the request of the minister of Municipal Affairs, Mr. Dave Russell stated that he was "Absolutely Shocked" at the irresponsible manner in which the Mayor and Council directed their administration to surcharge a 10 per cent collection fee and to withold and spend the Provincial School Foundation portion and School requisition portion from the supplementary assessment levied on homes under construction in 1972 and 1973.

Mr. Russell further pointed out that the gouging of the Government to raise the Tax Rebate Cheque last year by a few dollars wasn't too smart either. The actual increase from the increased municipal tax was not that big. Those who took it on the higher assessment were the so called 20 per cent of the homes that were in the maximum $216 rebate class.

Both the Minister of the Environment, Bill Yurko, and the Minister of Highways and Transport, Clarence Copithorne also took exception to certain positions taken in the town's brief presented at the meeting which was requested by St. Albert Council for arranging additional financial assistance. The meeting was less productive than could have been the case.

I had to leave before the two hour meeting concluded together with Mr. Yurko on an Industrial Development matter, and was informed later that discussion degenerated into critizing the Gazette, pressing for a separate seat in the Legislature for St. Albert and demanding an interview with the Premier.

Margaret Smith a candidate for Council

The next three years will be critical in determining what type of community St. Albert will become, and new people are needed on the Town Council to make it responsive to the residents' wishes for the future of the town. This is the opinion of Margaret Smith, of 62 Sunset Boulevard, who has decided to seek election to the Town Council. Margaret feels that St. Albert is unique - the oldest town in Alberta, and in a beautiful setting - and that its separate identity must be preserved by slowing the rate of growth and careful control of development to provide a high quality of life for its residents.

Born in 1938, and educated at the Universities of London (England), Leicester and Alberta, Margaret is now a Canadian citizen and has taught physics and other sciences at Queen Elizabeth Senior High School in Edmonton for the past six years. She has also worked in retail sales and in laboratory and factory positions. She was also chosen to teach in Tanzania from 1964-66.

Margaret's talent for organization and her wide interests are useful in her work as senior high co-ordinator of the Alberta Debate and Speech Association. She was responsible for the "Encounter" series on CFRN radio, in which guests such as the Hon. Bill Yurko, Mayor Ivor Dent, Hal Pawson and the late Stan Melton were invited to debate important current issues with high school students. Margaret was also chosen to accompany the Alberta Debating team to Ottawa last May for a week of seminars and debates on the Club of Rome's report called "The limits to growth." Prominent citizens such as Senator Maurice LaMontagne and St. Albert's M.P. Marcel Lambert participated in the events, and the Alberta team won the national championship.

These activities have given Margaret many contacts with provincial cabinet ministers, local businessmen and other prominent citizens, as well as keeping her well informed on topics from rapid transit to natural resources.

Soon after moving to St. Albert with her husband, Alan, three years ago, Margaret became interested in the decisions being made by the Town Council. She has kept in touch with the issues as they arose, done considerable research on them.

Margaret rates the quality of life in St. Albert as her top priority. Secondly, the unusually wide range of expertise of the residents and their enthusiasm must be utilized by public input as soon as possible in the formulation of the general plan, and by EARLY public participation in major development proposals, such as the downtown core or a new shopping centre. Margaret would like to serve on a council which would work with and for the residents, instead of one which would be out-of-touch, provoking residents to anger. Other problems which must soon be dealt with are the shortage of parks and recreation facilities, the green belt, and the severe traffic problems on Highway 2.

Margaret would welcome help with her campaign, and may be reached at 459-7814.

A puppet show was performed to approximately 100 young people in the Town Hall Annex last Saturday morning at the Library's Summer Reading Club's party. The children who were in attendance dressed in the costumes of their favorite storybook characters.

Nostalgic candle will launch project

Those of you who are older than you like to admit, or those who have been watching the movies on Cable 6, will appreciate the elegance of yesteryear when homes were lighted by candlepower.

As darkness fell, the little lady would rise from the davenport and glide around the house in something sheer, lighting the candles whose soft glow bathed the rooms in a myrid of dancing shadows and eyestrain.

The St. Albert Lions will soon be bringing a little nostalgia into your life when they have a candle delivered to your home for your use until Sept. 17 or 18 when they will be conducting their annual light bulb campaign.

It hasn't been proven that it is quite as elegant flicking a switch as lighting a candle but the results are easier on the eyes.

If your porch light is working, please turn it on when the Lions are calling. If not, you could light the candle and put it in your window.

When does a lion have 1136 eyes? When he's selling a sack of potatoes. Watch for him at Lions Park - soon.

Chorus seeks members

The Edmonton Symphony Chorus is looking for new members for the coming season. They will start rehearsals Sept. 3 at 8 p.m. in Glenora Elementary School in preparation for a concert with the Edmonton Symphony Orchestra in December. One of the works to be performed is Vivaldi's "Gloria."

New members will be welcome at the first rehearsal or may call one of the following for further information 434-0250, 799-5049 or 439-2980.

Charles Schroder will run for Council

Mr. Charles Schroder, who is well known in St. Albert, having served on the Protestant .School Board since 1966, has announced that he will be a candidate for election to Town Council in the fall election.

"Basically the only way that I can see a change in municipal government is for interested people to get involved, said Charlie, which is the reason behind my decision.

Mr. Schroder listed three primary concerns, beginning with his thinking that there is a lack of overall leadership of council in decisions involved with development. A general overall plan is needed, he commented to guide development and inform the residents of the future directions of the town.

He is also concerned that council is not as effective as it could be because it is tied up in details." This does not allow time, said Mr. Schroder, for important decisions and overall policies, and this is an area of municipal work to which I feel I can make a contribution." If overall policies to guide staff are developed, then they can make the detail decisions and thus allow council more time for key decisions and policies.

The volume of work makes it necessary also that council delegate some responsibility to boards, such as Recreation Board and the Preventive Social Services Board. At present, said Mr. Schroder, these boards are made strictly advisory, so council is required to make decisions even at a lower level.

CHARLES SCHRODER

Thirdly Charlie feels the co-operation between various levels of government and with other jurisdictions.

Born in Evansburg, Mr. Schroder is a graduate of the University of Alberta and is a Professional Engineer. He has had five years experience as a consulting engineer in municipal work in Jasper Place. He has served 10 years as an instructor at NAIT and last year was appointed assistant director of continuing education at NAIT.

Over three terms on the school board Mr. Schroder served five years as chairman. A member of St. Matthews Anglican Church, he has also served on the vestry He is chairman of the Advisory Recreation Committee, one of the two school board representatives. He also spent one year as chairman of the Joint Use Committee, which included chairmanship of the Recreation Board.

The Schroders have four children and have made their home in St. Albert since May of 1962.

Jim Wiltshire resigns from school Board

Immediately on acceptance of a position on the teaching staff of Paul Kane High School, Mr. Jim Wiltshire tendered his resignation from the Protestant School Board. All positions on the board are open to election in October.

He has served seven years on the school board, one year as chairman and the rest of the time as finance chairman.

JIM WILTSHIRE

Mr. Wiltshire, a graduate in engineering from the University of Alberta, holds a teaching certificate and has been at NAIT for the past 12 years. He was Section Head of Maintenance Technology. At Paul Kane he will be teaching math and sciences, and is looking forward to the different kind of work, and to working with St. Albert students. Mr. and Mrs. Wiltshire have two children and have made their home in St. Albert for 12 1/2 years.

Asked if he was thinking of getting into any other public service, Mr. Wiltshire replied that "at this time I am not contemplating running for anything!"

Sweet Adelines invite new members

In advance of the new season, the Gateway Chapter of Sweet Adelines, Inc., invites women of St. Albert and district to join them in four part harmony, barbershop style. Beginning September 3 the group meets Tuesday evenings at 7:45 p.m. at Augustana Lutheran Church 9901 - 107 Street, Edmonton.

Further information may be obtained from Hilda Rae at 469-4329, or "just come down and join us" says Sheila Willis of St. Albert, public relations chairman. "We'll be happy to have you."

Included in the activities of last Saturday's Library Summer Reading Club party were bingo, musical chairs, and a fortune teller, a puppet show, all very much enjoyed by the large group of young people who were on hand for the fun.

Craft Guild plans annual fall fair

The St. Albert Arts and Crafts Guild is presently planning its fall session of classes which will commence the first week of October. Popular classes from previous sessions will again be offered, along with some new and interesting classes, including a course for parents on activities for the preschool child.

Registration for the fall session will be taken at the Arts and Crafts Fair to be held Sunday afternoon, Sept. 15 at Sir George Simpson School. The annual fair features displays of the handiwork of guild members and promotes the fall classes. Watch the Gazette for further details. Anyone interested in offering a class or wishing further information on the Guild is invited to contact the Guild's co-ordinator, Mrs. Lois Folkins at 459-7344.

QUALITY VALUE SERVICE SELECTION

St. Albert REC. NEWS

SWIMMING:

The schedule till Sept. 2 was published in last week's issue of the Gazette.

From Sept. 3, the schools will have the use of the pool during school hours but there will be public swimming from 1 - 5 p.m. and from 7 - 9 p.m. with teen and adult swimming from 9 - 10 p.m. each day till Sept. 6. On Sept. 7 and 8 the usual weekend schedule will be in operation with the exception of the family swim on Sunday morning which will be cancelled on Sept. 8.

After Sept. 8, the schedule will depend on the availability of staff, the weather and the attendance - and the weather just has to improve. However, even if it doesn't don't be discouraged from swimming; the water in the pool is very pleasantly warm

PHYSICAL CULTURE:

Margaret Thomson will be returning to conduct classes in physical culture, starting on Sept. 12. She will give an eight week course for each of three age categories on Thursday evening - the 7-11's from 6 - 6:45 p.m. (cost $3,25); the 12 - 16's from 7 - 8 p.m. (cost $4.) and adults (including the 17 year olds) from 8 - 9:30 p.m. (cost $6.50).

Although not definite, the classes will probably be held in Sir George Simpson School.

CHILDREN'S GYM:

A 10 week session of children's gym classes, instructed by Kirsty Marshall, will start on Tuesday, Sept. 24. Classes for four - five year olds will be held weekly from 4 - 4:45 p.m. and for the 6 - 8 year olds from 5 - 5:45 p.m. and the cost for each child is $5.00.

The location, which will be in a school east of the highway, will be announced next week after which registrations will be accepted at the Town Hall.

Y-NEIGHBOURS:

The first meeting of the Y-Neighbours, sponsored by the YWCA, will be held in the Community Hall on Monday, ept. 16 at 9:30 a.m. and registration will take place at that time ONLY.

Under the direction of Mrs Kirsty Marshall, this two hour weekly program takes place every Monday morning in the Community Hall and provides an excellent opportunity for mothers to get out and meet people, enjoy an hour's keep fit, a chat over a cup of coffee and a demonstration, talk, or crafts. All this for the ladies upstairs in the Community Hall on Perron St., while the pre-schoolers are looked after downstairs - babies should be brought in car beds or collapsible cribs

The cost for the 12 week program is $12 with an additional $2 for each child to cover the cost of crafts, juice, cookies, etc.

FIGURE SKATING:

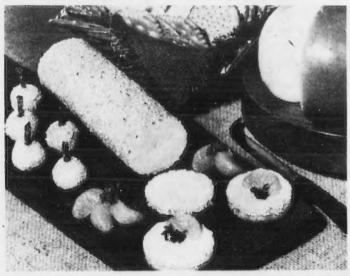
The St. Albert Figure Skating Club will be holding a general meeting shortly at which registration forms will be available. Watch for the announcement.

GYMNASTICS CLUB:

The St. Albert Gymnastics Club which got off to such a flying start last year will be starting classes shortly. The dates, times and place will be announced within the next few weeks.

LOST AND FOUND:

A few jackets left at the playgrounds are in the office of the Recreation Department in the Town Hall and articles left at the swimming pool should be claimed before the pool closes.



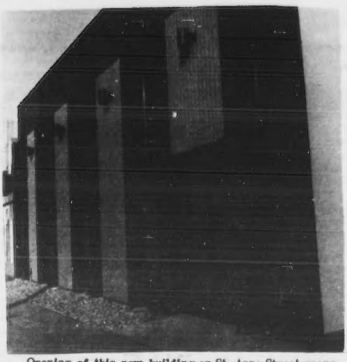
Toasted sesame seeds coat the Gouda Sesame Log to provide an interesting combination of flavour and texture in this party-perfect snack.

Gouda sesame log

Good to look at and delicious-tasting, Gouda Sesame Log combines the delicate flavour of Holland imported Gouda with a crunchy, toasted sesame seed coating. Perfect for parties, it keeps well in the refrigerator and can be prepared several days in advance.

¾ cup sesame seeds
3 cups (12 ounces) shredded imported Holland Gouda
1 cup butter, softened
1 teaspoon prepared hot mustard
2 tablespoons gin (preferably genever)
OR
1 tablespoon chutney sauce

Toast sesame seeds in 350° oven 5-10 minutes until golden. Cream shredded Gouda and butter together until smooth. Blend in mustard and gin. Shape into one large log with diameter about 1½ inches or into several small balls. Roll in toasted sesame seeds, generously coating log or balls. Wrap with plastic. Refrigerate until about ½ hour before serving. Serve with cream crackers or rye wafers, radishes and relishes. Insert half a pretzel stick into each ball before serving, if desired. Makes one 8-inch log or about 18 small balls.



Opening of this new building on St. Anne Street opens up a "whole new world" for the St. Albert School of Dancing on Saturday. The public is invited to join the celebration.

Deputy medical officer appointed

Sturgeon Health Unit announces the appointment of Dr. Gwenda J. Hutchinson as Deputy Medical Officer of Health. A 1965 graduate of the University of Saskatchewan, Dr. Hutchinson obtained her Diploma in Public Health from the Inversity of Toronto in 1969. She is a Certificant of the College of Family Physicians of Canada and for the last year has been a resident in pediatrics in Edmonton.

The new position of Deputy Medical Officer of Health at the Health Unit has been established in conjunction with the University of Alberta and is approved for residency training in public health and preventive medicine by the Royal College of Physicians and Surgeons. To date there are only two such programs across Canada.

Dr. Hutchinson will be involved in all aspects of the Unit's activities and will Spearhead the development of home care proposals, beginning in Westlock.

Seniors Please Note

Seniors Citizens please be in attendance at the sod turning ceremony for the Senior Citizens Centre, to take place Thursday at 2 p.m. in Lions Park.

The event will be followed by coffee provided by the Womens Institute in the Community Hall. For transportation please phone 459-8809.

BILLBOARD

WED. - FRI. AUG. 28-29-30 - Potato Sale by St. Albert Lions at Lions Park. 6:30 - 8:30 p.m. weekdays 9:30 - 12:30 Saturday.

THURS. AUG. 29 - Sod turning ceremony for Senior Citizens Centre. 2 p.m. Lions Park. St. Albert Women's Institute. All Senior Citizens are invited and the general public.

TUES. SEPT. 10 - Breakfast Lions meet at 6:45 a.m. St. Albert Inn. Guest speaker on probation.

Reading club party draws 100 children

The Town Hall Annex was turned into a child's garden of delights last Saturday morning for the Library's Summer Reading Club Party Decorations, balloons, games, and music provided a great atmosphere for the 100 children who attended dressed as their favourite storybook characters.

With games like Bingo, Musical Chairs and Pin the Tail on the Donkey going strong, those in attendance found plenty of diversions. There was also a bean guess, a bottle drop, a bean bagtoss and a weird fortune teller to enjoy and best of all, prizes were easily had for all the games.

After lemonade and cookies had been served, diplomas were awarded to all those who read during the summer. Then the winner of the bean guess was announced: Alana Blower, who won the jar of 357 jelly beans.

A puppet show rounded off the occasion.

Diplomas for those unable to attend can be picked up at the library.

AROUND TOWN

Rene and Delores Kambouroff spent a few days in St. Albert last week following the birth of their first grandchild, Miss Alaina Arcand, at Sturgeon General Hospital. They were able to see a number of old friends in St. Albert as well as friends and relatives in Edmonton before returning to 100 Mile House, B.C.

Oxfam aids Bangladesh flood victims

In response to the Bangladesh flood emergency, 150,000 shots of cholera vaccine are being rushed to the striken area at a cost of $11,250.

The floods are being described as the worst in living memory, and come as a cruel blow to a country struggling with the aftermath of the 1970 typhoon and tidal wave, the 1971 war of independence, the present effects of last year's poor harvests, and of galloping inflation.

Fourteen of the country's 17 districts are affected, a total of 30,000 square miles So far, the Government of Bangladesh estimates that over 1,000 people have died, either by drowning or by cholera and other diseases. Out of a total population of 70 million, an estimated 20 million are affected by the flood. 50,000 homes reportedly have been damaged or destroyed, while both the summer rice crop which was ready to harvest and the newly planted winter rice crop have been spoilt.

The situation is obviously very serious. Due to the confused circumstances OXFAM-CANADA is persuing clarification from the Field Director and other contacts within the country.

As well as immediate assistance, long term support will be crucial, to provide both food and work, as the full effects of the lost harvests come to be felt. Homes and wells must be rebuilt, and permanent flood control schemes must be started. Western Canadians may support this work by contributing to Oxfam, Box 12000 in Winnipeg, Saskatoon, Regina Calgary, Edmonton, Vancouver or Victoria.

CONSUMER'S PROBLEM OF THE MONTH

DEAR SIR: In an attempt to combat rising food costs, my husband and I agreed to purchase a bulk order of food on a food freezer plan. This included a side of beef which was supposed to weigh 300 pounds.

After the meat was cut and delivered, we weighed it and discovered it weighed only 200 pounds. What can we do to obtain the rest?

ANSWER: When a side of beef is cut, there is anywhere from 20% to 50% waste in bones and fat depending on the grade and quality. Consequently, the weight of the cuts may be considerably less than that of the carcass. Before buying bulk meat, one should ask for an estimate of how much waste there will be, in order to determine the actual cost of the usable meat.

Remember, when purchasing bulk orders of food, the cost of cutting, wrapping and the convenience of delivery will be added into the price of the food.

If you have a consumer problem, for further information, or assistance:

Mexican Student Spends Summer in Alberta

Teresita Barcenas of Mexico City; an exchange student at the home of Mr. and Mrs. C. O. Joly of 19 Greenview Crescent, is at present wishing that her next school term didn't start for another three months. Twelve year old Tere (pronounced Terry) says that she has thoroughly enjoyed her stay in Alberta since her arrival in early July and her sojourn at the farm of Mrs. Joly's family has been a haven for her in sharp contrast to the hustle and bustle of her native city of eight million people. She would have liked to stay long enough to see and participate in the fall activities of harvesting, hunting and snow-shovelling, preferably in that order.

Among the numerous new experiences which Tere will talk about to her parents and friends back home, will be cow-milking, tree climbing, berry-picking and making pizzas. An experience which she will long remember will be that of being asked to shake a jar of cream; and not knowing why she complied and to her great surprise, she had made butter.

Tere is an avid shopper and loves to swim so she is at present taking full advantage of our facilities here in St. Albert. When taken to some of our main tourist attractions, she soon became "shutter happy" with her very first camera. She was also quite impressed by K-Day activities.

A trip to the Rockies for new sights and experiences was next on the agenda for Tere, and her two friends, Renata of the billeting home and Valerie Gomuwka of St. Paul. The latter is spending a week of her holidays at the Joly home.

Tere has re-acted and adapted remarkably well to a new life style. A pleasant personality combined with dogged determination have eliminated all language barriers. Tere reads a lot and takes long English lessons in her school. She will be entering junior high and is looking forward to a career in medicine. Before her departure, Tere will be visiting and attending Albert Lacombe school which opens a week sooner than hers.

℞

THE BACK TO SCHOOL BLUES

At this time of year this not so mysterious malady seems to sweep the younger generation like an epidemic. The symptoms are classic and readily recognized by parents and teachers alike. A tendency to oversleep in the mornings, inability to concentrate on lessons and a general feeling of despair are a few of the more noticeable ones.

Medical science has not yet found a cure for the "Back to School Blues" and the likelihood is it will always show up at summer's end. We do not stock any products that will help but we do sympathize.

WE SUGGEST A VITAMIN TONIC. COME IN AND DISCUSS YOUR NEEDS.

Passengers would survive 40 m.p.h. front-on crash

Nissan ESV

A sedan designed to protect its four passengers in a 40 mile-per-hour collision with a brick wall made its debut June 4 at the Fifth International Technical Conference on ESV in London.

ESV means "experimental safety vehicle", and Nissan Motor makers of Datsun cars and trucks, displayed the firm's latest ESV innovations. The vehicle exhibited in London is the third edition of the ESV from Nissan.

"Human engineering" studies have helped Nissan develop better handling characteristics for the ESV, and added protection is given by a radar-controlled auto-brake system, an alcohol interlock system and dozing prevention devices.

Seats are scientifically designed to minimize injury to passengers from impact in any direction and the vehicle will protect passengers against moving barrier rear-end collisions at speeds up to 30 miles-per-hour (50 km/h) and against 40 mile-per-hour (65 km/h) frontal barrier collisions.

The unique composition grill and bumper is designed to protect pedestrians. Windshield design provides improved driver visibility unimpeded by front pillars.

Other safety innovations include an anti-skid device, explosive-type air bags and safety tires to keep the vehicle moving even if they are punctured.

Nissan developed the ESV under contract to the Japanese government at a cost of over $7.5 million. While many manufacturers were asked to produce ESV models, the Datsun manufacturer was one of the first to actually produce one in the 2,000 pound category. At present, it is a one-of-a-kind experimental vehicle not in production or available for purchase.

Principal specifications are: Overall length, 13.83 feet (4150 mm); overall width, 5.31 feet (1595 mm); overall height, 4.56 feet (1370 mm); wheelbase, 96.80 inches (2420 mm); tread on front, 51 inches (1275 mm); tread on rear, 50.6 inches (1265 mm).

Tough policy for odometer violations

Among the provisions of the new weights and measures act which came into force August 1, are those dealing with automobile odometers, reports Consumers' Association of Canada. The new act makes tampering with or resetting odometers on vehicles a federal offence. This applies even if the tampering is done in one province and the car is sold in another. This part of the act will be enforced by the RCMP across Canada with the co-operation of provincial authorities.

Probation administrator talks to Lions

Mr. Len Anderson, regional administrator for the Edmonton area is scheduled to talk to the members of the Breakfast Lions Club at a regular meeting September 10 at the St. Albert Inn.

Mr. Anderson will talk on the mechanics of the Provincial Probation System which should prove to be enlightning. All members and guests are urged to attend the meeting at 6:45 a.m. at the St. Albert Inn Dining Room.

Hearty hot snacks for guests or family, Dutch Cheese and Ham Roll-Ups can be prepared in advance and quickly deep-fried before serving.

Dutch cheese and ham roll-ups

Need an idea for hot finger-food for your next party? Dutch Cheese and Ham Roll-Ups can be prepared in advance and quickly deep-fried just before serving. A substantial snack for hungry guests — or even for a hungry family.

- 1 cup shredded imported Holland Edam or Gouda
- 1 tablespoon mayonnaise
- ½ teaspoon prepared hot mustard
- 6 slices cooked ham
- 6 thin slices bread
- ½ cup flour
- 2 eggs
- 2 tablespoons milk
- 1 cup bread crumbs
- oil for deep-frying
- salt

Cream shredded cheese, mayonnaise and hot mustard together. Remove crusts from bread; flatten slices. Spread each slice of bread and each slice of ham with cheese mixture. Place one slice of ham, cheese-side up on each cheese-spread slice of bread. Roll them up tightly; secure with a pick if necessary (cut each in half, if desired). Roll them in flour. Dip them in mixture of eggs and milk beaten together. Roll them in crumbs. Allow to dry 5 minutes. Heat oil (2 inches deep) in deep frypan or deep fryer to 375F. Fry rolls for about 2 minutes until they are golden. Drain on paper towels. Sprinkle with salt. Serve immediately. Makes 6 large or 12 small rolls

Here's unique way to furnish your walls! It's the original imported Scandia Teak Wall System . . . A functional and beautifully finished wall furniture system that offers hundreds of combinations to fit right in with your present apartment, home or office decor. McDonald — Evans wedding

MR. & MRS. JIM McDONALD

Father Alphonse Roy conducted the wedding service uniting Debby Evans and James McDonald at 1:30 p.m. August 17 in the St. Albert Roman Catholic Church. Organist was Mrs. Bertha Kennedy and Sherry Evans, a sister of the bride sang - "We've Only Just Begun," during the signing of the registrar. Scripture readings were five by Carson McDonald, brother of the groom. Flower arrangements of large white mums and red carnations adorned the church.

The bride was escorted down the aisle by her parents, Mr. and Mrs. Robert Evans of St. Albert, and the groom by parents, Mr. and Mrs. Ralph C. McDonald of Rocky Mountain House

Debby was radiant in a long gown of white dotted swiss, extending to a cathedral train edged with three rows of dainty ruffles. Matching ruffles edged the short full sleeves and the yoke of the gown which featured a deep square neckline. Her chapel veil fell from a charming lace cap trimmed with rhinestones and she carried a bouquet of baccara roses and stephanotis with white velvet tubing.

The bride was attended by Carol Romanuk as maid of honour, her sisters Sherry and Wendy Evans as bridesmaids and her youngest sister, Penny Evans as junior bridesmaid. They wore red cotton gowns trimmed with red and white check and white hats and gloves completed their ensembles. They carried nosegays of red pixie carnations, white marbles and red star flowers with gingham bows which complimented their gowns.

Attending the groom were Bill Pollock as best man and Ron Crozier and Keith Adrian, ushers, in grey tuxedos trimmed in black velvet. The groom wore a baccara rose boutonierre and the attendants red carnations.

A reception was held for 100 guests, followed by a banquet at Executive House in Edmonton. To receive her guests the mother of the bride was lovely in a long gown of matte jersey in shrimp shade, accented by a corsage of yellow sweetheart roses. Mrs. McDonald chose a long gown of blue fortrel, with pink sweetheart roses en corsage.

Mr. Stanley Jackson, a cousin of the bride from Westlock was master of ceremonies and called upon Mr. Leo Peloquin of Vancouver to propose a toast to the bride. Mr. Peloquin was formerly an RCMP officer in St. Albert. A toast to the bridesmaids was proposed by the best man and the bride's sister Sherry replied. She expressed her feeling of happiness and pride that all of the Evans sisters were able to be included in the bridal party. Mr. Evans also spoke briefly.

Following a honeymoon to Beach Gardens, Powell River, B.C., the young couple are making their home in Edmonton.

The groom's grandmother Mrs. Agnes Girard of Kelowna was a special guest. Other out of town guests were: Mr. Warren Olson and Miss Nancy Drumellas, San Francisco, Calif., Miss Joni Sarke and Escort, Regina, ask., Mr. and Mrs. Cliff Parker, Buck Lake, Alta., Mr. and Mrs. A. Rithven, Camrose; Mr. and Mrs. Leo Peloquin, Delta, B.C., Mr. and Mrs. Bill Murphy, Bawlf, Alta., Mr. and Mrs. Murray McDonald, Hinton; Mr. and Mrs. Murray Oram, Central Butte, Sask., Mr. and Mrs. Arthur Olson, Chaplin, Sask., and attending from Rocky Mountain House were - Mr. and Mrs. Carl Haupt and family; Mr. and Mrs. Dennis McDonald; Mrs Ruth Childs; Mr. and Mrs. Ralph McDonald; Alice McDonald; Mr. and Mrs. Eric Evans; Mr. and Mrs. Keith Stewart and Mr. and Mrs. Walter Williams and family. Guests from Calgary were Mr. and Mrs. Leon P. Olson, Mr Don Lee and Miss Sue Patterson; Mr. and Mrs. Ted Neilson; Mr. and Mrs. Bernie Evans and Danny; Mr. and mrs. G. Anderson and Mr. and Mrs. Clifford Evans.

Barry Breadner will seek Council Seat

BARRY BREADNER

When Barry Breadner, an engineer and technical instructor, told the Gazette this week that he was going to run for office on town council, said it would be his first experience in the political arena. He made the decision he said because of a concern for the direction the town has been taking over the past few years.

In particular he said he would campaign for people participation in important community decisions, and for development of a General Plan and related planning for services, transportation and recreational facilities.

I believe in people before developers, Mr. Breadner stated. We should drive harder agreements with developers, and by so doing make St. Albert a less attractive place for developers.

Barry would like to know more of public opinion on regional shopping centres before decisions are made, and also thinks that proposals should be placed before the public for comment on the downtown core concept.

A farm boy from northeastern Saskatchewan, he graduated from the University of Saskatchewan in Petroleum Engineering in 1961, and was employed by Shell Oil for five and one half years, in drilling, oil production and engineering. Other work experience included farming and construction.

After one year at the University of Calgary in education he was involved in a technology program, during six years of instruction and head of the gas technology program at NAIT. He completed his work in education at night school and obtained his degree from Calgary University in 1973.

During the past year he was seconded to industry by NAIT under a policy which updates instructors. Barry was able to refresh and expand his technical background by working in natural gas plant process operation and process engineering.

Mr. Breadner is a registered professional engineer, Province of Alberta, and a national director, Petroleum Society of the Canadian Institute on Mining and Metallurgy. He is past chairman of Branch #38 (NAIT) Civil Service Association of Alberta. On the community level he has been involved as past chairman and a founding member of the St. Albert Community Planning Committee and has worked with the parent-teacher association, school advisory committee and is a member of the United Church.

He is fully prepared to devote the time necessary to serve as a councillor, and has attended quite a number of meetings of council in the past six months.

Barry, his wife Angela and their son Eric and daughter Jillian have lived in St. Albert since 1967 and make their home on Sunnyside Crescent. He is 36 years old.

OPEN HOUSE

Friends of Mrs. John W. Barnett, mother of Mrs. Dr. Cuts of St. Albert are invited to a reception on the occasion of her ninetieth birthday. Time - 2 to 6 p.m., Date - Tuesday, September 3; Place - St. Albert United Church, lower hall. Everybody welcome!

Athabasca University

Alberta's open university

Athabasca University is an *open university* because

- it provides a second chance for those who are unable to attend conventional universities
- it has no formal admission requirements
- it has no central campus; its campus is in the homes of its students
- students can study at their own rate in their spare time
- it serves the adult community of the province
- registration procedures are exceedingly simple
- its faculty prepares self-instructional materials making use of modern techniques in the packaging of knowledge
- it provides direct assistance to its students through tutorials by telephone and by small group meetings
- it follows a continuous university year; students may commence a course at any time
- courses are published and open to public inspection and criticism
- courses may be taken for university credit or non-credit as the student desires

Alberta's Open University invites you to register in one or more of the following courses as part of its self-study program leading to an undergraduate degree

World Ecology: the Scientific Context
Serves as an introduction to the structures and processes of the natural environment, a scientific study of the relationships among living things

The Ancient Roots of the Modern World
The major works from Western and Oriental traditions will be studied for an understanding of the values, ideas, and forms which have persisted over long periods of time

An Introduction to the Study of Human Communities
The course explores the scope, objectives and approach of social sciences to the study of human society, along with their implications for living in today's world

Dr. L.W. Ferguson
Athabasca University,
14515-122 Avenue,
Edmonton, Alberta, T5L 2W4

GOOD GAS MILEAGE TIP

EXCESSIVE IDLING

An idling engine uses gasoline too, particularly after a cold engine start. If you're faced with more than a few minutes wait, better switch off and start again later.

STOP-AND-START DRIVING

Frequent stops and starts during a trip really cut down on your miles per gallon. Plan even your short shopping trips to take advantage of through streets to avoid traffic lights. Pace your driving like the professional drivers to avoid unnecessary stops.

A group of students at the St. Albert School of Dancing are delighted to try out the great hardwood flooring in one of the two studios in the schools new building. A resilient floor offers blessings for the feet and back which any dancer or instructor appreciates.

"A little late for that, isn't it?"

STUDENTS PREPARED FOR EXAMS

St. Albert Dancing School will open new building on Saturday

The opening of their made-to-order dancing studios in their very own building will be a very special milestone on August 31 for Alma Hughes and Gladys Smith, coming on the 10th anniversary of their opening a dancing school in a small room at Club Mocombo.

Alma and her husband Gordon came to Canada from Liverpool in 1957, moving to Edmonton in 1959 and to St. Albert in 1960. Gladys and Frank arrived in St. Albert in 1962. Two years later, while the two sisters were having a cup of coffee in Alma's home some neighborhood youngsters stopped in to visit and asked Alma if she would teach them some dancing. After they left Gladys said - "But that's a wonderful idea - why don't we start a school!" Both were licentiates of the Imperial Society of Teachers of Dancing.

The school was started some months later and has kept on growing ever since from the 30 original students to almost 300 last year. Adequate space became a real problem and the decision to build was made. "We can accommodate 500 to 600 students now," said Mrs. Smith.

An outstanding advantage of the new building is the hardwood flooring in the dance studios - which both instructors and students will appreciate. The main floor has two studios with changing rooms, rest rooms and offices downstairs. Being able to conduct workshops and summer schools is another big advantage of the new building. The school brings in the very best people for these events from England, the U.S.A. and other parts of Canada and through such special study workshops the students get a level and variety of instruction which they simply couldn't afford otherwise. They will now be able to have their end of the year recital in St. Albert also.

Gladys and Alma have studies with Joan Harvey, Ivy Baker, Phyllis Goddfrey, Doreen Bird, Patricia Crail and Shelagh, all of London, England; Brian Foley and Dennis Moore of Toronto, Al Gilbert of Hollywood and Beverly Fletcher of New York.

During the first week of October they are holding a workshop when Tink Robinson of Vancouver will conduct sessions in tap and jazz. Each year there will be a summer school in ballet, jazz and tap.

The school was the first in Alberta to enter students in I.S.T.D. ballet exams. Cindy Alford and Patti Hughes are the only students in Canada to hold an I.S.T.D. gold star tap medal, and both passed with honours.

The two teachers have no hesitation in telling parents that they can be confident if their children join the St. Albert School of Dancing and that they will receive the most qualified instruction with the correct technical training.

Three, four and five year olds take preparation classes and at the age of six a student may start exams, only if they wish to do so. Training can lead to professional status and the school has two students who have chosen this route. Classes begin in September and carry on to mid-June.

Special teen jazz classes are offered and ladies classes will be introduced. No previous training is necessary for these classes, which are mainly for fun, but the exercises do wonders for the figure, said Mrs. Hughes

Together with the Gyro Club Committee, Gladys and Alma started Northern Alberta Dance Festivals in Edmonton two years ago, running five days in 1973 and six last year. This involves a tremendous amount of organizational work and time, and this year when the St. Albert teachers suggested that with their new building they would be too busy to do it, the only response they got was "But who will do it?" Actually they feel that the festivals offer a tremendous opportunity for young dancers and are thoroughly worthwhile.

In 1968 the school presented a Wizard of Oz production at Victoria Composite Auditorium, and Jack Benbow was so impressed that he repeated portions through two weeks on Kiddies on Camera. He said he had never seen anything like it. Perhaps St. Albert can look forward to more such productions in the new building on St. Anne Street.

THANK YOU

Thank you to Father Primeau, choir, Dr. Gramlich Dr. Fairfield and the nursing staff of the Sturgeon General Hospital, and all those kind neighbours and friends who helped during the long illness of Armand Turgeon.

MRS. JULIA TURGEON AND FAMILY.

BIRTH ANNOUNCEMENT

Jim and Pat Bedry wish to announce the arrival of Raymond Dean, a brother for Michael and Darrell, Friday, August 16 at the Sturgeon General Hospital.

Sailfish swimmers capture medals in games-provincials

St. Albert Sailfish Swim Club completed their season in the same fashion in which they started - on a winning note when some 40 of its members competed in Calgary in the Alberta Provincial Championships.

This year for the first time the swimming was included as part of the Alberta Summer Games utilizing the 13 and 14 year old age group. In this the team shone as Dale Cameron won a gold medal in the individual medley, and a bronze in the backstroke, Liane Madsen gained a silver medal in the backstroke and Denise Savoie gained a silver medal in the breaststroke.

Besides this the boys relay team consisting of Dale Cameron, Dan Kehoe, Steve McRory and Larry Sander won gold medals in the freestyle and medley relays whilst the girls team consisting of Liane Madsen, Dianne Pass, Susan Kisil and Denise Savoie won the bronze medal in the medley relay.

In the Provincial championships themselves the St. Albert Star undoubtedly was Tommy Munro who won first place in four individual events and also swam on two winning relay teams.

Others who placed in the first three in individual events were Claudette Larocque - 2nd Girls 9-10 butterfly; Lydia Kehoe 1st Girls 11 - 12 butterfly; Peter Odinga - 3rd Boys senior butterfly; Susan Otto - 2nd Girls 9 - 10 backstroke; Stuart Fowler - 3rd Boys 8 and under breaststroke; Joe Ainsley - 3rd Boys 9 - 10 breaststroke; Cameron White - 3rd Boys 9 - 10 freestyle; Terry Lynch - 2nd Boys 9 - 10 individual medley.

In the relay races St. Albert as usual again came to the fore. Out of a total of 24 relay races, St. Albert teams took six first places, two second places and two third places, helping Zone 7 of which St. Albert is a member, to win the overall team championship.

It is especially praiseworthy to note that at a swim meet where 54 teams were represented St. Albert swimmers should come away with so many medals.

St. Albert Swim Club won a total of 30 Gold medals in the Provincial finals in Calgary last weekend and also came away with 13 seconds and 13 third place ribbons as the club had an excellent meet. Members winning medals are from left to right, front row: Tommy Munro, Cameron White, Stuart Fowler, Gerta Grieve, Claudette Larocque, Susan Dick, Joe Ainsley, Terry Lynch and Brian Stredder. Middle row, left to right: Denise Savoie, Dianne Pass, Caroline Wilhelm, Christine Fowler, Marcie Matheson, Heather Matear, Lydia Kehoe and Susan Kisil. Back row, left to right: Larry Sander, Dan Kehoe, Brad Sinclair, Steve McRory, Ron Lastwika, Scott Ratchinsky, Don England and Dale Cameron.

Members of the St. Albert Swim Club winning medals at the recent Alberta Summer Games in Calgary last weekend, are from left to right: Dan Kehoe, Susan Kisil, Steve McRory, Denise Savoie, Dale Cameron, Dianne Pass and Larry Sander. The team picked up a total of 16 medals, nine of which were gold, two silver and five bronze. Dale Cameron led the way with three gold with Dan Kehoe, Larry Sander and Steve McRory getting two gold each. Denise Savoie and Liane Madsen won silver medals while the rest took third place bronze. Barb Medlund and Brandon McCaffery were also members of the Games team.

St. Albert Tennis Club Wins Share at Summer Games

Four St. Albert tennis players came back medal winners from the first Alberta Summer Games held in Calgary this past weekend. Betty Ontkean and Dave Kirk (competing in the Junior Veteran category of over age 35) defeated the Calgary team for the second place silver medals. Betty also won a bronze medal in the Junior Veteran ladies singles - finishing behind the Edmonton and Calgary entrants respectively. Clark Warren and Roman Murelka also won bronze medals in the open mens doubles finishing behind Edmonton and Calgary. Finishing in fourth place (just out of the medals) were Phil Kemp and Brian Dunik in boys doubles and Angela Miller and Judy Wood (open ladies doubles). Maureen Harris and Cassie Kemp completed the team, along with manager Lorne Wood and everyone felt it was a very worthwhile weekend and are looking forward to Red Deer next year.

Bill Keech, the tennis court supervisor, who was competing for Edmonton (since that is where he resides) did even better in the medal winnings by capturing a gold in the boys doubles (with Grant Glowicki) and a silver in the boys singles. Bill has been winning a lot lately, as he was also a double winner (boys singles and doubles) in the recent Derrick Club Junior Invitational.

The A Interclub team again this year were just edged in the finals (this year by Royal Glenora). The team tied Glenora at home 4-4 and then were defeated 5-3 at Glenora. (This was exactly the same scores as in last years final against Garneau).

Ed Barclay, tennis pro at the new Mayfield indoor tennis centre will be giving a free tennis clinic in early September in St. Albert as a means of promoting the new centre. Any tennis players interested in further details should contact Judy Wood (8696) for further information, as there will be no further notification.

Coming tennis tournaments include the Garneau Invitational this weekend, the Hillcrest B Invitational Sept. 7 and 8 and the Final Club Tournament, Sept. 14 and 15 and the club family tournament Sept. 21. Entries available at the clubhouse.

Team Canada 74

EDMONTON OILERS 1974-5 SCHEDULE

OCTOBER

HOME - Sun. 20 Winnipeg; Tues. 22 Chicago; Fri. 25 Michigan; Sun. 27 Vancouver.

AWAY - Fri. 18 Winnipeg; Wed. 30 Vancouver.

NOVEMBER

HOME - Wed. 6 Minnesota; Fri. 8 Winnipeg; Sun. 10 Cleveland; Wed. 13 Winnipeg; Fri. 15 Toronto; Sun. 17 Indianapolis; Sun. 24 - Houston.

AWAY - Sat. 2 Cleveland; Sun. 3 Indianapolis; Wed. 20 Quebec; Fri. 22 Toronto; Tues. 26 San Diego; Thurs. 28 Houston.

Team Canada will open their training camp Sunday in the Edmonton Gardens in preparation for their upcoming eight game series with the Russian Nationals. The team will practice twice daily with afternoon sessions open to the public at no charge. The team will play an exhibition game Thursday Sept. 12 in the Gardens against the Western Canada League All-Star Juniors with game time at 8 p.m.

Members of Team Canada 74 are:

GOAL: Grry Cheevers, Dave Dryden, Don McLeod, Ernie Wakely.

DEFENCE: Pat Stapleton, J. C. Tremblay, Al Hamilton, Paul Shmyr, Marty Howe Pat Price, Jim Dorey and Barry Long.

Calahoo Horse Show and Gymkhana

The West Sturgeon Agricultural Society will sponsor the Calahoo Horse Show and Gymkhana, Saturday, Sept. 7th at the Calahoo sports grounds. This will be the first venture of this kind for Calahoo and it is hoped that it will become an annual event. The show will be split up in two parts with the morning being taken up by the Horse Show and the afternoon with the popular Gymkhana events.

The morning program will kick off with the showing of six halter classes for three different age groups. They are 12 and under, 18 and under, and adult. The competitions will be in two sizes and will be for 14/2 and under and 14/2 and over. The English and Western Pleasure class and the Trail Horse class will be for both junior and senior competitors.

The afternoon program will feature the gymkhana events of Barrel racing, Pole Bending, and Flag Picking for both junior and senior riders. There will also be some Novelty events such as Musical Tires, Apple Bobbing and Sack Race for juniors and for the seniors there will be the Sack Race, Ladies Cigar Race and the Rescue Race.

The Novelty events will be free entry with ribbons being presented to the winners. The show class will be a $1 entry fee with prize money being according to the number of entries.

For more information please call Lynn Finnegan at 932-5047.

Ladies Curling

Anyone interested in playing in the St. Albert Ladies curling league this season is asked to contact Bunny Porowski at 459-8426 as soon as possible as some of the four leagues are already nearing capacity. Ladies will be curling Wednesday morning 9 a.m., Wednesday evening 6:45, Friday morning 9 a.m. and Tuesday and Thursday afternoons at 1:15.

St. Albert Soccer Team Wins Bronze At Alberta Summer Games

St. Albert's bantam Selects gave a good account of themselves in Calgary last week. Two 8-0 wins over Ponoka and Medicine Hat and a 3-1 loss to Edmonton-Lauderdale gave them the third place bronze.

The team got off to a flying start with Andy (Pele) O'Kell scoring in the opening minute against Ponoka. Brad Taschuk collected a hat-trick.

Thursday evening St. Albert played a physically powerful Lauderdale team under the lights at Glenmore Stadium. The lads were all "psyched up" for the big match, they slept for two hours in the afternoon, ate three hours before kick-off, went through their warm-up routine and then played their hearts out. Twenty minutes into the game St. Albert had a direct free-kick just outside the penalty area. Steve Aldred fought to hold a place in the wall, Damir Dupin made a well timed decoy run and Paul Little slammed in a hard lob which was too hot for the Lauderdale goalie to hold. This was a rehearsed play, perfectly executed and enough to make any coach happy.

Five minutes from half-time St. Albert lost centre-back John Parker with a leg injury and Lauderdale equalised. Lauderdale went ahead 15 minutes from the end of the game but minutes later Steve Aldred was "robbed" of the equalizer by a desperate Lauderdale defence. Brian Rowse had a busy night in goal for St. Albert. Lauderdale scored their third goal just before full time. Breen Neeser, Mark Waygood, Derek Warmington, Rod Kane all ran themselves into the ground. John Parker and Warren Brown hardly put a foot wrong.

The playoff against Medicine Hat that was something of an anticlimax. Captain Damir Dupin got the final goal with a 35 yard shot high into the opponents net.

Aside from soccer the St. Albert lads were a big hit with the girls in the canoe event and somewhat less popular with the sergeant in charge of the barrack block! Murray Wright had no competition when it came to eating the army's chocolate cake.

St. Albert represented soccer at the opening ceremony at McMahon Stadium and just made the TV scene. At least two Calgary coaches were anxious to talk Paul Little into a transfer as without doubt he is an outstanding winger. The back-up squad of Ernie Key, Todd Murray, B. J. Telford, Bob Hanke and Murray Wright all played well and were in action for at least two of the games.

45,000 athletes, coaches and officials took part in the Alberta Summer Games with 2,000 making it to Calgary. The organization and officiating was excellent. The selection process for many representatives superstars and Ph.D type coaches, the Alberta Summer Games gave the ordinary athlete and grass roots coach the opportunity to compete in a big meet atmosphere. The soccer in both the St. Albert-Lauderdale and the final Calgary-Lauderdale games was very good by any standard.

Two St. Albert boys came home with medals from the Alberta Summer Games as Kevin McKendry (left) won a gold and two bronze in track and field events while Don Warden won two bronze. Both boys are members of the Edmonton Olympic Club and are coached by Kit Knight.

Sage wins award

Ten year old Ashley Sage of St. Albert was awarded the Most Improved Player trophy at the Bruce MacGregor Hockey School held at Londonderry Arena last week. Sage was the most improved player in his class of 34 boys.

Two years ago he was the top goal scorer for the Canadians when they captured the Shaver B league in the Kinsmen Minor Hockey Association. Last season Sage was a member of the champion Dairy Queen Braziers in Mite B.

Exhibition Football Thursday

St. Albert's bantam football coach Rick Suggitt and his assistants will get a chance to see what kind of a squad they have assembled Thursday evening when the Carma Developers will play an exhibition game against Palmer 49ers.

The game will be played in St. Albert at Lorne Akins Junior High School starting at 6:30 sharp. The 49ers are members of the south division Edmonton and District Bantam Football League while St. Albert are in the north division.

Coach Suggitt is very happy with the quarterback ing of Paul McCann and they will use the Wishbone T system that ex-Eskimo coach Darrell Royal was so successful with. The complete team will be picked Saturday and the exhibition game will no doubt be instrumental in who will make the team.

Some 45 boys are still trying out and only 28 will make the team.

The team's first league game will be next Monday, September 2 at 10 a.m. when they will meet the Ladies Quarterback Club team in the league opener. All league games will be played at Kinsmen Park in Edmonton.

Sept. 2 - 10 a.m. Ladies Quarterback Club.
Sept. 7 - 11:30 a.m. Canada Safeway.
Sept. 15 - 10 a.m. Foley Electrical Contractors.
Sept. 22 - 11:30 a.m., Dairy Queen.
Sept. 29 - 10 a.m. Jenner Pontiac-Buick.
Oct. 6 - 11:30 a.m. CHQT Broadcasting.
Oct. 13 - 10 a.m. Lhite Truck Sales.

All eight teams in each of the two divisions will be in the playoffs which will be played October 20 and 26 with the league finals to be played November 3.

The Edmonton Oilers Fastball Club and the St. Albert A's played an exhibition game last Wednesday night in St. Albert with the proceeds going towards the Cystic Fibrosis Foundation. A total of $83 was collected and given to two people directly involved, Mr. and Mrs. Ray and Mary Lou Rouault. CJCA morning man Bob Arnold (left) was the announcer of the game while respective team managers Bob Wall and Fermin Iseke look on. A's won a close 4-3 game.

Female Elk Hunting

Alberta Lands and Forests announced Tuesday, August 20 a special authorization will be required to hunt Anderless Elk during an open season in Southern Alberta this fall. Hunters will also be required to register their kills.

The season will extend from Nov. 19 through Nov. 30 in Big Game Zones 9, 10 and 11, all south of the Bow River.

Fish and Wildlife Division Director, Gordon Kerr, stresses that a draw system will be used to reduce the number of hunters and distribute them more evenly through the designated hunting areas. Each authorization will be for a specific wildlife management unit.

"We expect the result will be a more orderly and enjoyable elk season with less friction between hunters and farmers in the private land areas," Mr. Kerr added.

Deadline for submitting applications for the special draw for anterless elk authorizations is October 1.

Hunters must have a valid regular elk licence to be eligible for an anterless elk authorization. However, only one elk may be taken as an additional tag will not be issued with the anterless authorization.

To provide the Fish and Wildlife Division with accurate information on the extent of the harvest and the ages of the animals taken, hunters will be required by law to register within 30 days of the kill date.

Registration procedure, Mr. Kerr explains, will involve submission of the end of the lower jaw containing the incisor teeth together with information as to the sex of the animal, date and location of the kill.

Registration may be made at all provincial fish and wildlife offices.

Weekly Fishing Report

ST. PAUL REGION:

Athabasca: Fishing success in Athabasca has improved during the past week. Fawcett Lake is yielding good success for pike and walleye. Skeleton Lake is good for pike and perch. Lawrence Lake is producing good catches of pike. Long Island Lake is fair to good for pike. Narrow Lake is fair for pike. Baptiste Lake is poor for all species of fish.

Bonnyville: Moose Lake is yielding good success for perch and fair success for pike and walleye. Muriel Lake is producing fair catches of pike. Wolf Lake is fair for pike, but poor for walleye.

Cold Lake: Long Bay, French Bay and Rocky Point are yielding fair catches of pike. Ethel, Hilda and Cold Lakes are also fair for pike. Medley River is producing fair catches of rainbow trout Moore Lake is poor for pike and walleye. Marie Lake is poor for pike.

Ft. McMurray: Gregoire Lake is yielding good success for pike. Fishing success has improved in the Clearwater and Athabasca Rivers for walleye. Success is fair for grayling in the Hangingstone Creek.

Lac La Biche: Angling for pike, perch and walleye is fair to good in all lakes.

St. Paul: Fishing is good for most species in all lakes in the area.

Vegreville: Fishing at both Sandy and Black Nugget Lakes is poor.

EDSON REGION:

Whitecourt: Losegun Lake is yielding good catches of perch and pike but is slow for walleye. Smoke Lake is good for pike and fair for walleye. Carson Lake is poor for rainbow trout and fair for pike. Emerald and Laura Lakes are yielding poor catches of trout. Pecasus Lake is fair for pike and poor for whitefish. Streams are generally yielding fair success.

Evansburg: Fishing is poor for all species at Isle Lake. At Wabamun Lake fishing for whitefish remains poor and pike catch remains fair. Chip Lake is yielding fair to good catches of pike. Insufficient information has been received to determine the quality of angling in streams.

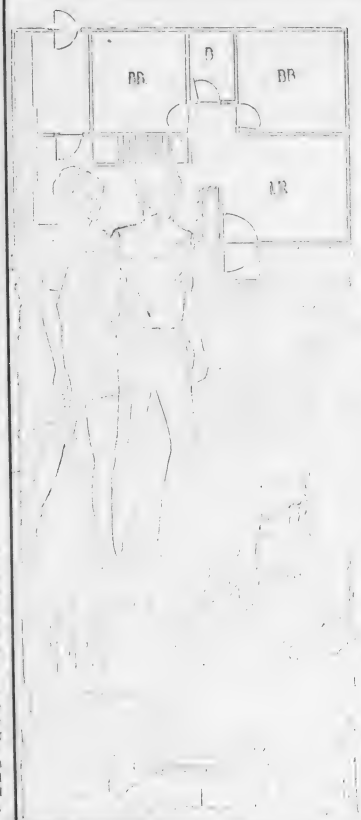
Grande Cache: Angling is fair in Pierre Grey Lakes. All streams except Smoky River are catching small dolly varden and Rocky Mtn. whitefish. In Susa and Mason Creeks angling is poor due to low water levels.

Edson: Stream fishing is reported as generally fair. Most streams are murky but are clearing. Fairfax Lake is fair to good for rainbow trout and fair for brook trout. Obed Lake is fair for rainbow trout. Bear Lake is yielding good catches of northern pike.

Junior Hockey again in St. Albert

St. Albert Bruins hockey club President Ron Yanosik advised the Gazette Monday that the team will again operate in the six-team Capital Junior Hockey League, which includes teams from Sherwood Park, Stony Plain, Leduc, Fort Saskatchewan and Edmonton. The age limit has been raised one year so that all boys not 21 before December 31, 1974 will be eligible to play. There has also been an import restriction limit put on with not more than six players being on the team roster that do not reside in St. Albert and district. This will enable more local boys to have the opportunity to play. All players who were with the Bruins last year are on the Bruins protected list and are expected back to try and make the team. Any interested boys wishing to play for the Bruins are asked to contact Mr. Yanosik at 459-5340.

Mr. Yanosik has also informed the Gazette that he will be looking for some front office help in running the Bruins and would welcome any calls. Mr. Ken Schwartz is again expected back to coach the team and guide them into the playoffs.



CO-OP

CO-OPERATIVES offer numerous career opportunities

The Co-operative System in the four western provinces comprises of 430 Retail Consumer Co-operatives, Federated Co-operatives Home Office in Saskatoon, Wholesale distribution operations in Calgary, Edmonton, Vancouver, Regina, Saskatoon and Winnipeg. The Co-operatives employ approximately 10,000 people in a variety of occupations in Retailing, Wholesaling and Manufacturing.

Due to the rapid growth, career opportunities are excellent. If you are interested in a career in one of the following departments - Building Materials, Petroleum Marketing, Food, Agricultural Products, Dry Goods, Hardware, Accounting -

We would like to talk to you.

Playground program completes successfull summer

The St. Albert Playground Program concluded a very successful summer of operation on August 25. It is estimated that over 500 youngsters took part in the program under the supervision of the eight leaders.

Eight playgrounds operated this year. The largest groups of young people were found at the Braeside, Sturgeon and Grandin playgrounds which usually had a good number on hand. Mission playground had a smaller number but the participation was consistant all summer, according to the leaders.

A number of letters and thankyou cards were addressed to the persons responsible for the program. One parent wrote that although it was her family's first summer in St. Albert, thanks to the playground program, her two sons were made welcome and felt part of the gang. The other letters stated parents gratitude for the program which kept the youngsters creatively active and free from boredom.

A Sports Day held at Lions Park on Wednesday, August 21, generated a high degree of participation and interest. Included in the day's activities were an arts and crafts display, a rhythm band representing each playground, races, a peanut throw, and smiling contests. The winner of the smiling contest from the ranks of the leaders was Dulcie Page, much to the delight of the youngsters

Val Mogck, program supervisor, spoke for all the leaders and persons concerned when she said, "we had a lot of fun being involved in the program. We had no trouble at all this year and altogether it was an overwhelming success."

The program will probably be conducted again next year and it should be bigger and better.

District 3 Board renews contract with child centre

At the St. Albert School District No. 3 meeting on Tuesday, August 20, Mr. George Soetaert, assistant superintendent, reported on the St. Albert Parish Kindergarten. He recommended that the kindergarten year begin September 3, 1974, and operate until June 13, 1975, inclusive. This year the parish kindergarten will accommodate 200 children in two rooms at Father Jan School and two portables. Mrs. Sylvia Walsh, trustee, moved that the recommendation be accepted and the motion was carried.

The trustees discussed the Child Development Centre contract for children with learning difficulties which expires on August 31. On being asked the opinion of the administrative staff, Mr. Soetaert replied that the staff felt it a very worthwhile service and would recommend that the contract be renewed for another year. Mr. Steve Sieben, trustee, moved that the contract be renewed and the motion was carried.

Mr. Ted Baldwin, secretary-treasurer, reported on the progress of the portables to be supplied by Atco Construction Co. Atco have delayed the delivery of the portables due to moving equipment problems. Mr. Baldwin said that he has been in constant communication with Atco and he hopes the problems can be overcome soon. If the portables are not delivered until after the start of the school term it will cause crowding problems in some of the district schools.

The remainder of the meeting was taken up discussing the forthcoming social function to honour retiring teaching and administrative staff to be held at the Club Mocombo on Sept. 6.

THE PUBLIC UTILITIES BOARD FOR THE PROVINCE OF ALBERTA

IN THE MATTER OF "The Gas Utilities Act" being Chapter 158 of the Revised Statutes of Alberta, 1970;

AND IN THE MATTER OF "The Public Utilities Board Act" being Chapter 302 of the Revised Statutes of Alberta, 1970;

AND IN THE MATTER OF rates to be charged for gas supplied and services rendered by PLAINS-WESTERN GAS & ELECTRIC CO. LTD. the owner of a gas utility.

NOTICE OF PUBLIC RATE HEARING

APPLICATION having been filed with the Public Utilities Board by PLAINS-WESTERN GAS & ELECTRIC CO. LTD. (hereinafter called "the Applicant") and a Pre-Hearing Conference having been held for the consideration of preliminary matters pertaining to the application (a) for an order of the Board fixing just and reasonable rates, charges or schedules for gas supplied and services rendered by the Applicant to its customers, and (b) for an order of the Board authorizing such interim rates as may, in the opinion of the Board, be required by the special circumstances of the case, pending the fixing of final rates.

NOW, THEREFORE, the Board hereby gives notice to all parties who may be interested that the Board will hold a Public Hearing at the Law Courts in the City of Edmonton, in the Province of Alberta, on Friday, the 13th day of September, 1974 at 10:00 o'clock in the forenoon to hear the application for interim rates, to consider and determine the dates for hearing the application for an order fixing just and reasonable final rates, charges or schedules for gas supplied and services rendered by the Applicant to its customers and for the filing of material by interested parties and the hearing of interested parties with respect to the application for final rates.

FURTHER, the Board advises that those parties who wish to take part in this hearing may obtain the material filed in support of the application by applying to the Applicant whose address is:

PLAINS-WESTERN GAS & ELECTRIC CO. LTD.
9924 - 63 AVENUE, EDMONTON, ALBERTA.

DATED at the City of Edmonton, in the Province of Alberta this 20th day of August, 1974.

PUBLIC UTILITIES BOARD
Eleventh Floor,
ManuLife Building,
10055 - 106 Street
Edmonton, Alberta.

S. M. BARNETT,
ACTING SECRETARY

PUBLIC NOTICE

- BYLAW NO. 2, 1974

By the Board of Trustees of the St. Albert School District No. 3 of the Province of Alberta.

WHEREAS it is deemed expedient by the Board of Trustees of the St. Albert School District No. 3, of the Province of Alberta, that the additional sum of One Hundred Eighty Thousand Dollars ($180,000.00) should be borrowed on the security of the said District by the issue of Debentures repayable to the bearer in twenty-five (25) consecutive annual instalments with interest at the rate of not more than twelve per centum (12%) per annum for the following purposes namely:

To supplement the anticipated increased cost of:

a) landscaping Site at an estimated cost of. . $ 9,200.
b) erecting a Frame and Masonry Community Core School to consist of: 6 general classrooms, 1 Early Childhood Service facility, 1 Science Experience Classroom, 1 ancillary classroom, 1 Library, 1 Gymnasium (two-station), 1 Home Economics (two-station), 1 Industrial Arts Laboratory (two-station), 1 Stage; Administrative Centre consisting of 1 Principal's office, 1 Vice Principal's office, 2 Counselling areas, Secretary and general Administration Area, 1 Administration Conference Room, Staff Centre consisting of 1 Staff Common Room, 1 Staff Work Room, Staff Lavatories; plus 1 Gym Storage Room, Physical Education Offices; Shower and Dressing Rooms, 1 Infirmary, 1 Lunch Study Room including kitchen facility; plus provision for a "plug-in" of another 8 classrooms; at an estimated cost of . . . . . $1,048,500. including Architect Fees, water supply, sewage disposal system, parking area with concrete curbs and sidewalks.
c) construction, transportation and placement of 8 relocatable classrooms . . . . . $ 129,600.
d) providing furniture, millwork and equipment at an estimated cost of . . . . . $ 100,700.
e) In the Braeside Sub-division of St. Albert.

TOTAL: . . . . . $1,288,000.

All of which has been authorized under Order No. 6991 issued by the Local Authorities Board dated May 24, 1974 and

WHEREAS, due to increased construction costs an additional amount of One Hundred Eighty Thousand Dollars ($180,000.00) is required to complete the aforesaid project.

THEREFORE, notice is hereby given by the Board of the said School District that unless a poll of the electors of the said School District for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, as amended, the said Board will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

ERNEST HOWRISH,
CHAIRMAN.

Dated at St. Albert, Alberta
this 20th day of August, 1974.

INSTRUCTIONS TO ELECTORS PETITIONING FOR A VOTE ON A MONEY BYLAW IN A SCHOOL DISTRICT (Sections 2 (e), 3 and 104 - The School Act, 1970, as amended)

"Electors" for the purposes of petitioning for a vote on a debenture bylaw means a person:

(I) 18 years of age or older,
(II) who is a Canadian citizen or British subject, and (III) who
(a) in the case of a vote, is resident in the district or division in which the vote is to be held on nomination day, or
(b) in the case of a petition, is resident in the district or division in which the petition is to be presented on the day upon which he signs the petition,
and who has been a resident of Alberta for the six consecutive months immediately preceding nomination day or the day upon which he signs the petition, as the case may be;

A poll respecting the aforenoted borrowing may be demanded in a School District by preparing and submitting to the School Board a petition for a vote in accordance with the provisions of Sections 2 (e), 3 and 104 of The School Act, 1970, as amended.

The petition must be signed by at least
(a) 2 per cent of the electors in a district or division having 10,000 electors or more, or
(b) 5 per cent of the electors in a district or division having less than 10,000 but 5,000 electors or more, or
(c) 10 per cent of the electors in a district or division having less than 5,000 electors but 500 electors or more, or
(d) 15 per cent of the electors in a district or division having less than 500 electors,
and be filed with the Board within 15 days of the last publication in a newspaper of the public notice of the proposed debenture borrowing.

District 6 to keep admin building on present site

The Board of the St. Albert Protestant Separate School District No. 6 held its Wednesday, August 21st meeting at the new meeting place in Sir Alexander Mackenzie School.

Mr. C. Schroder and Mr. D. Munro had attended a council meeting on Monday, August 19 to obtain more details of the proposed civic centre and of the prospect of the district administration offices relocating there. Mr. Schroder reported to the board that the site the council has in mind is west of the proposed car wash and Grandin Medical Centre. There is a possibility that it will be three to five years before the civic centre could be inhabited and Mr. Schroder considered that the board has three choices:

1) waiting

2) proceeding with the proposed plan for an addition to the district building

3) building a smaller addition with a view to moving to the civic centre at a later date.

Dr. Cuts commented that there was no advantage to being close to a car wash and Mr. Wiltshire was in favour of the board building on the original site. Mr. Schroder moved that a letter be sent to the town informing them that the board has reconsidered its participation in the civic centre and that it intends to add to its present building. The motion was adopted.

Mr. Jack Gardener, architect, was in attendance and he reported that progress had been made on the drawing of the proposed Lacombe Park Community Core School and that the Department of Education had given approval for the building and the area. In connection with tenders for the construction of the school, Mr. Gardener recommended that tendering should commence the first weekend in September. Mr. Jim Wiltshire moved that the architect go to tender as soon as possible.

Discussion turned to tendering for the portables for the core school. Mr. Don Munro suggested that the portables be put to use wherever there is a space shortage in the district at the earliest possible date. He thought that one portable unit might be used for the early childhood education program.

Dr. W. Cuts strongly opposed this suggestion. He felt that the portables should be located on the Lacombe Park Core School site because moving the units from one location to another would not be good for them.

Mr. C. Schroder, chairman, agreed with Mr. Munro that it was desirable to obtain the portables as soon as possible but he supported Dr Cuts' argument that they should be placed on the Lacombe Park Core School site. The board agreed to tender for the units at an early date

Mr. Jim Wiltshire, trustee announced his intention of retiring from the board. Dr. Cuts made a motion of thanks to Jim for his commendable work with the board over the past eight years and Mr. Schroder said that it had been a pleasure working with Jim. Mr. Wiltshire will be joining the teaching staff of Paul Kane High School in September

Public welcomed to audit at U of A

People from outside of the university are being invited to apply for auditing privileges in subjects that interest them, according to a U of A news release dated August 19.

Auditing privileges allow a person to take a regular university course for general interest without receiving credit towards a university degree. Auditors do not have to possess normal course pre-requisites - they attend classes, complete reading assignments and if the permission is granted by the instructor, can participate in class discussion. They do not submit written assignments or sit for examinations.

The auditing privileges were extended to only registered U of A students prior to the recent decision made by the University's General Faculties Council. Now they have been extended to anyone. Courses in quota faculties (Law, Medicine and Dentistry) are not open to auditors.

Audit registration for on-campus courses takes place during the first week of classes, Sept. 9 - 13. Registrations are now being accepted for courses offered by the U of A in centres outside of Edmonton. Registration material can be picked up at the Registrar's Office or ordered from them by mail.

Fees are $50 for a full course and $25 for a half course. The deadline for all audit registration is Wednesday, Sept. 18, and further information may be received from the U of A Registrars Office. (432-3113).

Edmonton becomes major air link with U.S.

Earlier this year the City of Edmonton switched from being the only major Canadian city not served by a U.S. airline to where it is now served by more U.S. airlines than any other Western Canadian city. Edmonton now has direct service to nine different U.S. states.

The 'Edmonton Report on Business and Industrial Development' terms the switch in the airline service as transforming Edmonton into the heart of air travel in Western Canada.

The change of events occurred with the establishment of Hughes AirWest, Northwest Orient, and Western Airlines in the City of Edmonton. Hughes AirWest started service on June 1 with two flights a day to Spokane, Las Vegas and Los Angeles, a service which opened up the American States of Washington, California and Nevada. Northwest began service on June 7 with five flights a week from Chicago, Minneapolis, St. Paul, Edmonton and Anchorage. This opened up the states of Montana, Utah and Colorado.

Edmonton will now appear even more economically attractive to businesses from outside and make it far more accessible to a greater number of producers looking for a strong foothold in Western Canada.

Doggy Go Home

The Editor:

I am very pleased to be a resident in Morinville. It is a very nice town, with plenty of room for children to grow up in. It has all the advantages of small town living, and yet is close enough to a big city for entertainment. Yet with all its good points, Morinville does have one bad point. It is the countless number of dogs that tramp through peoples flowers, scatter neighbors garbage, and put brown spots on neighbors lawns! Now don't get me wrong, I am not a dog hater, in fact I love dogs, if they are kept in their place.

It is understood that Morinville has a bylaw that states "Dogs should be tied up in their own Back Yard." How well is this bylaw followed? How well is the dog catcher doing his job? It is about time he opened up his sleepy eyes and took a look around him!

We are sick and tired of having dogs tramp around our yard, lifting a leg here and there and ruining our trees and flowers which we have spent money and prayers on. And also all the work and time we spent in planting them.

Dog owners, we did NOT plant these products of nature for your dogs to ruin. We planted them in hope of beautifying our property and our town. But it does not beautify too much, because no sooner than the plants begin to grow, along comes your dog and digs a hole under my front step and in process digs up about two or three of my flowers. My lawn has brown spots and my trees out front are brown, where your dog did his job!

Every morning I have to take a dustpan and stick and remove your dogs supper off my lawn. He's your dog, I wish you would do it.

And you dog owners who chain your dogs during the day, and let them romp in the early morning, aren't very smart you know. Because, you see I get up early in the morning too. And I see your dogs tearing up my garbage and dirtying my sidewalk.

So please, we are begging you, to keep your dogs on your own property, because if you don't see them around or they come home limping, I may have hurt them with my broom. I don't want to do it, but I have no choice I have had it up to my ears!

"Ruined By Dogs"
Mrs. Denis Babiuk

Sturgeon teachers negotiate increase

Sturgeon teachers and the Board of Sturgeon School Division recently signed a memorandum of agreement after re-opening the 1974 salary contract by mutual consent. Under the terms of the new agreement teachers will receive an additional 2 1/2 per cent salary increase effective January 1, 1974 at a cost of $30,000 to the Board.

The original 1974 agreement was negotiated in 1972 and at that time provided for a 6.5 per cent increase over 1973 salaries. The agreement was reopened by mutual consent because of the rapid escalation of the cost of living since the original agreement was signed. The effect of the revision will be to give teachers a nine per cent total increase over 1973 salaries. Cost to the Board of the total nine per cent increase will be $111,200 over 1973.

The Sturgeon Board will employ 107.5 teachers this fall at an average yearly salary of $12,300.

Caution urged for livestock producers

Alberta Minister of Agriculture, Dr. Hugh Horner, stated on Thursday, August 15, livestock producers must exercise extra caution in their buying and selling strategies following implementation of the new feed grains policy.

Barley prices have been rising rapidly, reflecting the corn situation in the United States, and more price increase may be expected at least until the harvest season begins.

Livestock feeders should devote more time to checking alternative sources when purchasing feed grain. More extensive utilization of the Alberta Feed Grain Exchange and direct purchases from farmers can alleviate the payment of handling and storage costs.

Until the feed grain market settles the feeder cattle market will be very volatile. With high barley prices it is becoming less economical to feed lightweight feeder cattle high energy rations. Cow-calf men should keep well informed on the daily market situation before delivering feeder cattle, and extreme caution is necessary when selling light feeders.

bus drivers get increase

The Sturgeon School Bus Operators' Association reached an agreement on increased contract rates with the Board of Sturgeon School Division at a final meeting held on August 7. The average 13.5 per cent increase is retroactive to January 1, 1974. The cost of the increase to the Board will be $52,800 during the current fiscal year. Under the new rates a typical 54 passenger bus operating 70 miles a day would receive $41.47 per day or a total of $7,962 per year.

The Sturgeon School Division contracts 55 buses from 32 operators who convey 2,500 Sturgeon students daily to schools in Sturgeon, Edmonton, St. Albert and Morinville. Total cost of school bus services is estimated at $442,570 for 1974.

Sturgeon

Schools announce staffs

Sturgeon Schools will open with a total staff of 105.5 teachers, 13 para-professionals and six custodians this fall. Staffs are as follows:

BON ACCORD SCHOOL - Principal: O. J. Broemeling, vice-principal - Z. Kozey, resource teacher - Mrs. D. Yuen-Jung, teacher-librarian - Mrs. A. Lomax, Junior high teachers: J. Goulet, Mrs. B. Ford, elementary teachers: Mrs. L. Schick, Mrs. R. Hrycaiko, Mrs. C. Peel, Mrs. K. Sustrik, Miss G. Rudko, Mrs. D. Millar, Mrs. A. Goulet; kindergarten teacher - Mrs. E. Mikulski; secretary-library assistant: Mrs. E. Strawson; elementary teacher aide: Mrs. J. Cunningham; custodian: M. Ruth.

CAMILLA SCHOOL - Principal - V. King; vice-principal - B. Leitz; resource teacher - Mrs. G. Mowatt; teacher-librarian - Mrs. J. Vass; junior high teachers: J. Bellis, G. Shute, D. Clemo, O. Tan, D. MEMOS

By Marilyn Pelletier

Anyone interested in taking law as an evening course at the high school, please contact - Melode, 256-3432 after 6 p.m.

Mr. and Mrs. Ed Little are the proud parents of a new son on August 19, 1974. A brother for Joanne, Steven and Jay.

The Lions Club will have a leaflet mailed out to all residents of Morinville giving them information on the Birthday Calendar. Look for a Lions Club member at your door soon taking orders for the calendar.

Recent guests of Mrs. Ann Orbich and family were her mom, Mrs. Eva Ellis from Sudbury, Ontario, and her niece Miss Debbie Vuckonic from Cochrane, Alberta.

Mr. Cal Stimson of Edmonton was a recent visitor at the home of Mr. and Mrs. George West.

We would like to welcome Pat and Lil Suthley and family from Ponoka to our community. Pat and Lil are the new managers of the Morinville Hotel. Their children Kelly 15, Lorne 13 and Realine 7, will be all attending school here in Morinville this fall.

PLAYGROUND PROGRAM

August 22 was the final day of the Summer Recreation Program for children. The two young ladies in charge of the youngsters were Miss Aline Remillard and Miss Jan Gibeault. They deserve a vote of thanks for the terrific job they have done.

They took the children, sometimes as many as 57, camping, swimming and to the movies in Edmonton.

The young people have spent the summer playing games, making new friends and learning arts and crafts.

Next summer hopefully (barring no financial problems) this program will be continued.

The classes run from 10 a.m. to 4 p.m. daily.

Hopefully some mothers might be able, or willing to give a day of their time to help supervise or just play games with the kids.

HI NEIGHBOURS

Ladies, have a fun night once a month. We are forming a club. Meet your neighbours, learn new arts and crafts. Just a social informal get together. For information phone - Lynne, 256-3689; Marilyn, 256-3741.

Congratulations are extended to Mr. and Mrs. Joseph Lutz on the birth of their eighth child, a boy, Michael Joseph, weighing in at 7 lbs. 12 1/2 ozs. Michael's godparents are Mr. and Mrs. Robert Belanger of Villeneuve.

"Taking care of the house is YOUR job"

Thibault Board sees many changes

By Anne Kryskow (Chairman)

At the August 20 regular Board meeting of the Thibault School District, Mr. James Eshpeter was appointed as teaching principal of the Notre Dame and Yellow Elementary Schools.

Mrs. Kathy Swerda is the new secretary in the Elementary School and Mrs. Annette Keylor is the new secretary for the Georges P. Vanier School.

Mr. Thomas Moss is the custodian at the Georges P. Vanier and Yellow Schools.

Mr. Frank Comeau is replacing Mr. Jerry Pelletier as the Thibault bus driver.

Adult education will be offered if there is sufficient enrollment. Anyone interested in taking Oral French, Metric System or Typing or any other courses should contact the School Board office at 256-3554 stating interests.

Superintendent Tretiak, Chairman Kryskow, Trustees Leduc and Wojtkiw and Secretary-Treasurer Beaupre will be attending a conference for Small Catholic School Districts in Camrose on Sept. 7, 1974.

On Sept. 18, 19 and 20 the Trustees and Secretary Treasurer will be attending a Labor Relations Seminar in Calgary.

Please note Sept. 18, 1974 at 12 noon is the closing deadline for nomination for school trustees. Five trustees to be elected.

Fitzpatrick resigns from Thibault Board

Mr. Fitzpatrick has served the district with sincere devotion for eight years, assisting the Board in carrying out many duties assigned to him. He helped in the buying of portable schools and in purchasing the Notre Dame property from the Daughters of Jesus, and along with the Board attended meetings with the Department of Education and investigated grants available to small district schools from the department. He was also involved in interviewing and recommending teachers for hiring, in setting up the Opportunity Room, in busing arrangements and the Policy handbook.

He worked on new report cards and on Tuition Agreements, on adult education classes and parent-teacher interviews, and teacher evaluation policy. In addition he assisted in preparing the budget and filed a report in the financial statement, plus helping with Parents Aides and L.I.P. programs. He worked on remedial reading aid for elementary students and obtained the assistance of Dr. Sylvius is helping children with learning disabilities.

Mr. Fitzpatrick also gave of his time and abilities in community work, serving for two years as a director on Frontier Daze, and assisting the CWL and Christian Ladies in setting up the present kindergarten, in many ways he performed the duties of a superintendent.

Mr. Fitzpatrick is now employed by the Nelson School District in British Columbia, and the Thibault Board members wish him great success in his new endeavours.

Farmers market to boost ice plant

By Marilyn Pelletier

Anyone interested in selling farm produce at the Farmers Market being held at the Morinville Recreation Centre parking lot should be there at 10 a.m. Saturday, Sept. 7.

Sell from your own vehicle or bring your own table and supplies. For further information call 256-3243 - 256-3091 after 6 p.m.

The Harvest Jamboree dance will be held at the Recreation Centre beginning at 8 p.m. Tickets are $3 per person. The Satellites will provide the entertainment. There will be a cold plate supper served at midnight. During the evening the winning ticket on the Plymouth Cricket will be drawn.

Come one, come all, and help support the Central Sturgeon Agricultural Society on their artificial ice project.

GOOD SELECTION OF FARMS from 80 Acres Up.

Morinville Subdivision will Accomodate 7,820

A subdivision covering 495 acres adjacent to the Town of Morinville on the east, is in the initial stages of development by Forest Glenn (Dixie) Ltd., a Traders Group firm who own 100 per cent of the land. It will eventually house about 7,820 people.

Mr. Clifford Small, Edmonton branch manager for Forest Glenn noted there are also some 480 acres to the northeast recommended for development over 20 years by Qualico Construction, under the town's long range plan; plus a rounding off of the southwestern portion of the existing townsite, roughly 40 acres.

Fully developed, these three areas plus the present town would accommodate a population of approximately 16,000 in Morinville.

The Forest Glenn area is bounded on the south by the Northern Alberta Railway, on the north by a secondary highway (an extension of Laval Avenue) and on the east by a town road. Portion already approved consists of 238 lots, 90 of which were serviced last year. Permit was received this month to do the underground servicing of the 89 lots immediately south, and Mr. Small expects this work will be completed in the fall, allowing work to go forward on housing units through the winter. Next year the final 59 lots (working south) will be developed in the portion of the area already approved for development.

LAND USE

273.7 acres of the total subdivision will be used for residential development of which 252.3 will have single family homes and 21.4 acres are planned for medium density row housing. Density is averaged out at 15 persons per gross acre.

Commercial development is provided for on 33 acres, 30 for a major site and three acres for a neighborhood shopping site. The large site will be staged for development after the major portion of the whole area is done. However, Mr. Small will shortly be giving consideration to the planning of the 30 acre site.

Land for public use is broken down in 110.3 acres for roads, 44.8 acres for school sites and 33.2 for parks and buffers.

There are three elementary school sites, two of them 10 acres and one nine acre site. 15.8 acres are allowed for a junior high site and the neighborhood shopping centre is proposed to border on two school sites. This is a generous allowance for schools, considering that some centres allow only five acres, and will give the subdivision an excellent proportion of open space, which will be connected by a treed parkway.

DEVELOPMENT GOALS

"It is a challenging opportunity to do a completely planned development," said Mr. Small. "At the same time such an opportunity puts the onus on the developer to ensure proper development." He believes it is important that staging and planning should work in with the character of the town, an old established agricultural service centre, and also fit in with the capacity of the town to develop.

He feels that the development in Morinville will contribute to the current concept of decentralization in the Edmonton region. There is a growing tendency, says the consultant's report, for people to move outside the central city for greater housing choice, lower housing cost, or an alternate mode of living. Morinville was recommended by Morinville Council and Board of Trade as a growth centre, since it meets regional planning criteria, along with towns like Leduc, Spruce Grove and Stony Plain.

"Rampant development could destroy both the character and the viability of the town," Mr. Small stated. He is concerned further with getting first class builders and is well satisfied with the work of Greenacre Homes Ltd., and Willowbrook Homes Ltd. All lots are being sodded. It is a lane-less subdivision plan with looped type road system, to be totally serviced with underground power lines, street lighting and paved streets. Mr. Small sees completion in eight to 10 years - about 160 homes per year if spread over 10.

Town Council will help maintain high standards by exercising control through building permits. The developer is also prepared to do a landscape plan for a neighborhood park in the Debuc-Grandin Avenue area, which would retain several rows of trees in the area. Mr. Small feels the development of the initial stage carries a heavy responsibility in establishing a quality standard for the whole of its subdivision.

Houses have been selling out in an average price range of $28 - 31,000, with a few higher priced.

ENGINEERING & UTILITIES

The Forest Glenn proposal has been co-ordinated as to engineering with the design by Makale, Holloway, planning consultants and Associated Engineering Services were engaged by the developers to submit the engineering report. Main collector road rights-of-way will provide what is considered the best route for both sanitary and storm trunk sewers.

The town is presently upgrading the sewer system with initial staging to serve a population of 7,000. Right of ways have been surveyed and assessment of land values was carried out by an appraiser. Easement agreements have been drawn up and land is presently being purchased. Council expects to let a contract around November 1st of this year for a 10 mile 24 inch sewer trunk line to connect with the St. Albert line.

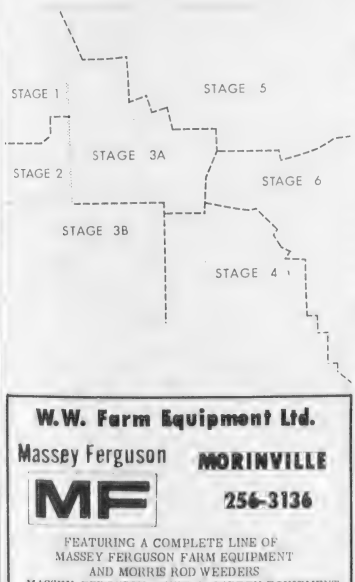
The Manawan Canal from which the town water supply is obtained is to the northeast of town and the water treatment plant and raw water reservoir are off highway 2 just north of the town.

The report includes a design proposal for a future main and reservoir to serve the subdivision.

At present town council is exploring all avenues for a water line with a target date of the spring of 1976 to get the project underway. The existing plant will serve a population of 3,500.

Forest Glenn Developers will be responsible for building water and sewer lines and roads within their subdivision as well as bringing the lines to the town's systems.

Staging sketch of the Forest Glenn Subdivision proposal for Morinville, Grandin Avenue comes through the 495 acre parcel below the 30 acre Commercial Reserve section at upper left. Willowbrook Homes and Greenacre Homes are presently building in the portion approved (Stage 1 and 2) between Grandin and Debuc Avenues. Developers are Forest Glenn (Dixie) Ltd. It is expected to take eight to 10 years to complete development of the entire subdivision, which will accommodate a population of 7,820 within it.



Lodewijk - Martel Wed

Marcia Dianne Martel, daughter of the late Mr. Alfred Martel and Mrs. Rose Martel and Henry Lodewijk of Morinville, were united in marriage on Friday, August 16 in St. John Baptiste R.C. Church in Morinville. The lovely evening candlelight service was performed by Rev. Georges Primeau, pastor in a double ring ceremony before an alter banked with summer flowers.

Entering the church, accompanied by her mother and her only brother, Mr. D'Arcy Martel of Vernon, B.C., who presented his sister in marriage to Mr. Lodewijk. The charming bride, was radiant in a french gown of heavy white guipire lace. The gown featured silk ruffle trim at neckline and hemline, in a A-line style, with long sleeves and a deep V neckline. Her french illusion veil was cathedral length and trimmed with scalloped lace, matching her gown. A coronet of lace held her veil in place. Her only jewellery was a single strand of cultured pearls, with matching earrings. She carried a cascade of yellow rosebuds, white carnations and baby-breath.

Miss Constance Craig, a lifelong classmate and 'twin' friend, was her bridesmaid. She chose a turquoise blue gown with empire waist, square neckline and mutton-puff long shirred sleeves, with insertions of lace trim matching the color of her gown. She carried a bouquet of white shasta daisies and baby-breath.

The groom was attended by Mr. John Pelletier, as best man. Ushers were Mr. Claude Demers, Denis Pelletier, Maurice Caron.

Mr. Denis Chalifoux was organist and Mr. Leonard Foreade of Legal sang "I Blessed the Day I Found You" and "On This Beautiful Day."

For her daughter's wedding, Mrs. Martel chose a printed silk gown with deep rose-mauve and purple flowers and black accessories and a purple orchid en corsage.

Mrs. Lodewijk wore a blue and white gown with white accessories and a white orchid en corsage.

A reception for 250 guests followed in the Morinville Recreation Centre, with a wedding dance later in the evening and a midnight supper.

For her honeymoon trip to Victoria and the Okanagan Valley, the bride chose an ivory white suit with blue and red stitching trim, white accessories and a white and mauve orchid en corsage.

Mr. and Mrs. Lodewijk will resident in Edmonton. Among the out of town congratulatory telegrams received were two from the groom's grandparents and uncle and families in Holland; Mr. and Mrs. Bert Craig visiting on business in South Africa, the bride's grandmother from North Bay Ontario and other relatives from British Columbia.

Among out of town guests were Mrs. Dianne Coolen and Mr. and Mrs. E. Caouette and several others from Edmonton, Legal, Fort Saskatchewan, St. Albert and Vimy.

NAMAO NEWS

By Norma Crozier

Many more happy birthdays from the Namao district to Mrs. C. C. Ferguson who celebrated her 101st birthday on August 22, Mrs. Ferguson, formerly of Namao resides in her own home at 11304 - 63 Street, Edmonton. Friends and relatives called during the day to extend birthday wishes and she received many bouquets of flowers and cards on this memorable occasion.

Namao 4H Light Horse Club participated in the Northwest Regional 4H Light Horse Show on August 24 at Leduc. Winners from the Namao Club were:

Intermediate Class - Karen Crozier - 5th with a mature horse; Junior class - Margaret Forest - 3rd in Trail Class, 4th in Western Pleasure; Cory Stanton - 2nd in Pony Class; Elementary Class - Roddy Forest 2nd in Western Equitation, 3rd in Halter Class; 5th in 3 year old Pleasure Class, Brian Pearse - 5th in Showmanship, 5th in Western Pleasure; Darren Pearse - 1st in Yearling Class.

Get well wishes of the district to Mr. Harold Clapp who has been in hospital and to the wee daughter of Wayne and Judy Porter who has had pneumonia.

The Pearse family are hosting an Open House in honour of Dr. and Mrs. Harry Pearse of Detroit, Michigan, U.S.A., on August 31 in the Namao Community Hall. Tea will be served from 3 - 5 p.m. and a Pot Luck Supper from 5 - 7 p.m. Everyone is welcome to attend.

Gibbons Fall Fest Aug 31 - Sept. 1

Fall Fest '74 and the grand opening of the Gibbons Arena will be celebrated over a two day period, August 31 and September 31, and the affair promises to contain something for everyone.

Briefly, the itinerary includes a barbecue, beer garden, bingo, 4H and other displays, ball games, a beer fest and dance, but this is just a single day's worth of the celebration. The diversions mentioned are taking place on Saturday, August 31 and in addition, the official opening ceremony will take place at 12:00 noon.

Sunday's events include a street breakfast, variety show, more displays, more bingo, square dancing, a midway and more ball games.

The arena will be utilized extensively during the affair and many of the events that cannot take place in the facility will be taking place in its immediate vicinity.

The entire extravaganza is presented by the Gibbons Recreation Board and the only stipulation which may or may not be met by the people taking part is that you have a fun time.

Legal News

By Lucienne Montpetit

Are you aware that three cabinet ministers will be visiting our community? Keep September 9 open to come and meet Dr. Hugh Horner, Deputy Premier and Minister of Agriculture, Gordon Miniely, Provincial Treasurer, Helen Hunley, Solicitor General M.P. and Ernie Jamison, MLA. The village council, organizations and individuals are invited to submit written briefs to Henry Woo, Ministerial Assistant, 229 Legislative Building, Edmonton or to Mrs. Lucienne Montpetit, local co-ordinator four or five days prior to the meeting.

It is hoped time will permit personal questions.

Come to the Recreation Centre at 2:30 p.m. on September 9, the ministers will be in our community from 2:30 - 4:30 p.m.

Mr. and Mrs. Paul Rouleau from Vancouver were visiting with Mr. and Mrs. Roger Ouelette and Mr. and Mrs. Lucien Bergevin last week. Other visitors with the Ouelette family were Mr. and Mrs. Gordon Lil from Lynn Lake, Manitoba, Mrs. Gertrude Jones accompanied by her sister from Penarch Wales.

The Legal Playground program has closed for another year. During the summer months the leaders kept the children busy with games crafts, singing, wading, and a special event was planned every week, such as camping out, going to a movie, puppet show, swimming etc.

On Wednesday evening they held "Mini Olympics" night for parents and children. Races and games were organized with parents taking an active part.

Prizes were given for the first three in each category, the others received ribbons. Parents also received prizes and ribbons, reminding them of their young days.

The leaders had arranged tables with arts and crafts display made by the children during the summer. The beautiful trophy they received as first prize for their float at Fete au Village centred the tables. A delicious lunch concluded the funfilled evening.

On Friday afternoon they had a wind-up party in the Recreation Centre with plenty of goodies and prizes for games. The children had decorated two chairs with streamers and balloons for their leaders and presented them with lovely souvenirs on behalf of the parents and children. Lorraine and Margo were touched by their fine gesture and thanked them sincerely for their thoughtfulness.

The mothers would like to thank the girls for a job well done and hope the same program will be continued next year.

Mr. and Mrs. Len Dean and family from Victoria, B.C., were visiting with their relatives last week.

Anyone that has not yet registered their child for playschool, contact Mrs. Lucienne Montpetit 598-3880.

Mr. and Mrs. Real Champagne and family enjoyed their trip to the World Fair in Spokane.

Some people don't believe they are having a good time unless they're doing something they can't afford.

NOTICE OF CHANGE IN SENIOR HIGH ACADEMIC AWARDS POLICY

A revised academic awards policy has been adopted by the Board of Trustees. It will apply to awards made at the Annual Awards Night this October. The policy for Grade X11 scholarships now requires an 80 per cent average (with no marks below 75%) in Grade 12 subjects in a minimum of 25 credits and specifies that the results of the Department Appeal Examinations will be accepted. The policy for academic pin and medal awards now requires an average of 80 per cent in English and other courses in a minimum of 30 credits. Details of the revised policy may be had on request.

The onus is on eligible students to forward copies of Department Appeal Examination results to the Superintendent of Schools, Sturgeon School Division No. 24, Morinville, Alberta, prior to September 7.

NOTICE OF SALE OF IMPOUNDED ANIMALS

THE DOMESTIC ANIMALS R.S.A. 1955 (MUNICIPALITIES) ACT.

TO WHOM IT MAY CONCERN:

NOTICE IS HEREBY GIVEN that by virtue of power granted under Section 46 of The Domestic Animals Act (Municipalities) of the Municipality of Sturgeon. Dated - AUGUST 21, 1974.

Dated at Riviere Qui Barre this 21st day of August, 1974.

TERRENCE BOKENFOHR.

Gibbons Light Horse News

By Bev Epp

On Thursday evening, August 15, the Gibbons 4H Light Horse Club held a meeting at the Watt residence. The meeting was called to discuss some matters of importance.

Plans were made to hold the annual year end banquet September 8 at 6:30 p.m. at the Gibbons Community Hall with trophy donors, 4H members, their families, and special guests to attend.

The group discussed the members who represented the club at the Northwest Regional Finals at the Leduc arena, August 24. To represent the club at the Regional Finals a member must have placed either first or second at the Club's Achievement Day in the performance or halter classes from each level.

The following members represented the club this year: Intermediate level - Sharon Kish and Pat Epp; Junior level - Tracy Hood, Chris Hood and Bev Epp; Elementary - Mareena Blackmore, Ruth Buchanan, Debby Watt, Laura Visscher, and Carol Salahub. The demonstration will be made by Brenda McIsaac and Debby Watt.

The reorganizational meeting will be held Thursday, October 10 at 8 p.m. at the Gibbons Sunday School. All interested persons are urged to attend and join the club.

Beautify, protect and preserve your property with **CARBOZITE COATINGS**

CARBOZITE is really a miracle coating that was developed especially for wood, metal, brick, stucco, cement and asbestos shingles. It SEALS, PROTECTS and RENEWS their finish. It penetrates and bonds with interior and exterior walls, becoming a permanent part of them and providing homes with the protection they need.

Report from Bon Accord

By Sadie Allen

A standing room only crowd turned out to a ratepayers meeting held at the Bon Accord Community Centre on August 21. The constitution as it stands was amended so that the executive when elected should include six farmers and six representatives from acreages. All the municipal councillors except Mr. Ed Courschene were present, and all spoke in favor of a Ratepayers Association, Mr. Keith Everitt spoke against representation by acclamation and it is to be hoped that at least two nominations will be in for each division. A reminder that anyone wishing to run for the position must have his/her papers in not later than Sept. 18. It was decided to hold another meeting around the middle of September when election of the Ratepayers Association executive will be held. The constitution as amended will be published and the date of the next meeting.

Jazz and tap dancing classes will resume on Thursday, October 3. Anyone interested can contact Shirley Bland 298-2464 or Marilyn Carleton, 298-3939 for further information.

A reminder to Cubs and Scouts -- registration day is Monday, September 9 at 6:30 p.m. Bring along a parent.

Ladies Community Club will resume regular meetings on September 11 with a meeting to be held at the home of Gail Sinclair in the evening. For further information, contact Pat Reynolds, 298-3558.

For the last six years residents of Bon Accord and district have had the privilege of a quiet Hallowe'en while still giving the children a fun night. Six ladies in the village came up with the idea of a hallowe'en party featuring treats and entertainment, held in the Bon Accord Community Centre and financed by a contribution of cash, up till now $3 per household. Now, however three of the original executive have left the village and in order to carry on more help is needed. A meeting will be held on September 8th in the Community Centre at 2 p.m. Everyone is urged to attend. If enough interest is shown, the parties will carry on. If not, stop in at your regular grocery store and price treats for up to a hundred or more young treat-or-trickers, remember the old days when you spent the evening standing at the door dishing them out, and for the mothers of the teenies, remember worry of waiting for them to arrive home, usually wet and half frozen. No interest no party. Representation from the district are urged to attend.

4H club girls accompanied by Sarah Mulligan, Pat Reynolds, Edna McKenzie and Joanne Long enjoyed a three day camp out at the United Church camp on Long Lake. Along with the 4H members an invitation was extended to girls not in any club to join in the camping excursion.

A beer fest will be held at the Bon Accord Community Centre on Saturday, August 31. Lunch is included and tickets may be purchased from Doreen Hewitt, Pauline Mansfield or any member of the Recreation Board.

Senior citizens are invited to contact me at 298-3541 with the idea of forming a senior citizen club for our district. Here again there must be sufficient interest shown before any organization can get underway. Phone right away so that an interesting program can be set up for the winter.

Alcomdale News

Mr. and Mrs. Matt Meinczinger have returned home after enjoying a six week tour in Europe.

Gibbons News

By Shirley Steinwand

A reminder to everyone of the Fall Fest and Grand Opening of the Gibbons Arena on Saturday, August 31 and Sunday, September 1.

Due to an error on my part, some people were led to believe that the Beer dance was free. I apologize to all of you, and hope you'll come out and enjoy yourselves anyway.

Sturgeon Valley 4H Club will hold their annual banquet at Gibbons Hall on August 29, 7:30 p.m. Admission $3.00.

Registration for nursery school (3 1/2 to 4 1/2 years of age) will take place Tuesday, September 3, 1974 at the Gibbons School. Anyone interested in leading nursery school, and for more information, contact Carol Crockett, at 799-9534.

Gibbons Sunday School - note to parents: Have you children of Sunday school age? A non-denominational Sunday School is held every Sunday at 10 a.m. in the United Church. (Sunday School Building). Both village and district children are welcome to attend. It is preferable that mothers register small children. There is a full teaching staff for all classes. We own our building, the only thing missing is attendance. If this does not increase with the re-opening of the school term, we will be forced to discontinue.

Newcomers to the village and district, perhaps some of you have children who would like to attend Sunday School.

They will be most welcome.

Get well wishes to Frank Bibaud in the Redwater Hospital.

Also to Lisa Rurak, recovering from an emergency appendectomy at the Royal Alex Hospital on Thursday evening. Get well soon, Lisa.

THE LAST ROUND-UP

Gibbons Senior Citizens held their regular meeting in the Legion Hut on August 22. Fifteen members answered roll call. There were two visitors - Mrs. Todd from Devon, and Jarvey Dawson of Grande Prairie - Mr. and Mrs. Dawson's grandson, Mrs. Winnie Walmsley joined the club. Several games of whist were played, and lunch was served.

Members were reminded of the invitations to the Gibbons 4H Garden Club Achievement Day at the Community Hall at 8 p.m. The barbecue which was to have been held at this meeting was postponed to August 29 due to many members being away.

Deluxe Tours have been contacted regarding tours to Expo '74 (Spokane) and Disneyland. They will show the films at the next regular meeting on Sept. 12. Anyone interested, 60 years old and over, is welcome.

Gibbons Senior Citizens have been asked to serve lunch to the Edmonton Senior Citizens Choir, who will be taking part in the Fall Fest on Sunday, September 1st.

Ron and Al's Service Ltd., report that they will be dealers for Sno-Jet Snowmobiles this winter, for Gibbons and area. All lines of 1975's will be carried, including service, parts, clothing and accessories. Drop in and see them this fall.

Tap dancing will begin in Gibbons on Saturday, Sept. 7, same time as last year. Registration for new students will be taken, to start Saturday, October 5. Cost is $6 per month. For more information contact Mrs. Nickolson.

Sincere sympathy to Mrs. Ben Pollard and family on the death of Ben Pollard on Wednesday, August 21.

Gibbons Guides and Brownies registration

By Shirley Steinwand

Registration for Brownies and Guides will be held Wednesday, September 4, 1974, 7:30 p.m. at the Gibbons Community Hall.

A total of 48 brownies and 36 guides will be registered. Others will be put on a waiting list. Girls must be seven years old as of September 1, 1974.

Mothers MUST register their girls. If registration is not paid at this meeting, your child will not be allowed to attend. Registration is $3.50, or $7 per family.

Please do NOT bring your children to this meeting. A short meeting will follow registration.

There will be two brownie packs this year, meeting at 4 p.m. and 6:30 p.m. Wednesdays.

For 1st Pack - Guiders are: 6:30 to 7:30 p.m. at Legion Hut. Brown Owl - Ada McLean; Tawny Owl - Iris Kennedy; Tawny Owl - Carol Machaluk; For 2nd Pack - 4 to 5 p.m. at Community Hall - Brown Owl - Colleen Balas; Tawny Owl - Pat Prins; Tawny Owl - Doreen Taker.

Girl Guide Co. - 4 to 5 p.m. Wednesdays at Legion Hut; Guide Captain - Avis Hood; Lieutenant - Shirley Maseur; Lieutenant - Myrna Revoy.

Gibbons history seeks family stories

The publisher and people working on compiling a history of Gibbons and District are most anxious to have as complete a record as possible of the families involved. Anyone who would assist them with accounts of the following families is urged to get in touch with Mrs. W. Mabbutt at Box 11, Gibbons, as soon as possible: Continued list of names not yet received -- Austin, Belair, Briggs, Bukowski, Colby Chabaniuk, Coleman, Danchuk, Derouin, Derosia, Evans, Fearnley, Gaumont, Hood, Hall, Holmes, Hutchings, Kerylluk, Kampjes, Knott, Lamoureux, Lee, McLean, Morris, Michaud, McWhirter, Oliver, Onushko, Pederson, Pasnak, Petherbridge, St. Nicolaas, Schram Samaska, Shaw, Roberts, Roe, Reddekoff, Pawlechko, Serink, Teel, O'Rouke.

Pictures and photographs are also wanted.

Coun Fyfe concerned with litter

Coun. Fyfe pointed out at the council meeting on Monday night that she has noticed the litter problem becoming serious at various points around the town of late.

"I have noticed in several places about the community that there is a great deal of litter and paper just thrown around. I was over in the Sturgeon Plaza and the 7/11 Store and I wonder if we can have a report on an interim bylaw inforcement officer or someone that would take charge of at least inspecting and laying charges if necessary," said Coun. Fyfe.

Mayor Gibbon stated that he had also noticed the litter becoming a problem in the area of the entrance to the Drive-In Theatre. Coun. Throndson stated he recalled that an item had appeared in the Gazette recently stating that there were insufficient litter baskets about the community and he wondered if in fact there are enough receptacles in the town.

Coun. Fyfe stated that she wondered if it would be an idea to have an anti-litter program at this time of the year in addition to the one held in the spring. She also stated that it might be expedient to have receptacles placed about the town, following the example of other communities which have loudly decorated receptacles which are 'fed' with the refuse. Her suggestion was that the receptacles conform with the 'feed the monster' idea or perhaps 'feed the town fathers'. She stated that these receptacles may arouse some attention.

AROUND TOWN

Gerry and Shirley Fisher, curling with Ticker and Marilyn Quintal won the B event in the Penticton summer bonspiel and the prize is an all expenses paid trip to Reno, Nevada for one week. The temperature was 90 degrees on the day we played the final game, Shirley reported, but the ice was very good. She also commented that there were a lot of Alberta curlers at the spiel and estimates that they cleaned up on about 80 per cent of the prizes. The two couples plan to make the trip in April - between the curling and golfing seasons.

Birth Announcement

Maurice and Dawn (nee Kambouroff) are happy to announce the birth of their daughter, Alaina Louise Arcand at 2:38 a.m., August 31 in Sturgeon General Hospital She weighed seven pounds and proud grandparents are Mr. and Mrs. E. Arcand and Mr. and Mrs. R. Kambouroff.
